## PAPATOETOE CRICKET LUNCHEON WITH JOHN WRIGHT

Thanks to all of you for being part of the John Wright Luncheon and to all our sponsors, your financial contribution has helped with the ongoing success of the Papatoetoe Cricket Club.

As Nigel Hurst said at the luncheon, this was the first fundraiser of its type that Papatoetoe had ever run. Yes there were some things we might do differently next time, but overall we're pleased with how it went and we raised \$30K.

*John Wright MBE*

This money was used for our junior cricket programs. In particular:

- Our new club coach Barry Rowland. Barry joined Papatoetoe at the start of the season, he has coached successfully at a number of clubs in Auckland, we're lucky to have Barry. He has also played 68 first class games and 46 one day games, averaging 40. He has coached many of the young players that have come through to the Aces and Hearts over the last 10 years. We expect him to do the same at Papatoetoe.
- Our Aspire Academy. We've established the academy this year, we see these players being the basis of our Premier Men's & Women's teams in 5 – 10 years
- Our school outreach programs, not just Papatoetoe, but also Otahuhu, Flat Bush and Mangere.
- Our Friday night junior cricket. This is a key part of our growth strategy, we have to be strong here to secure the future of club over the next 20 years.

We plan on making the lunch an annual event, with a similar theme including a NZ cricket legend as the guest speaker. So, we'll be back in touch over the winter and we trust that the success of the day means you'll want to be part of Papatoetoe Cricket Lunch Two.

Once again thank you to all our Luncheon sponsors and to everyone who contributed to making it a very enjoyable and successful day.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'Lindsay Rewcastle'.

# MINUTES OF THE 114<sup>th</sup> ANNUAL GENERAL MEETING OF THE PAPATOETOE CRICKET CLUB

Held on the 5th July 2020 at 4pm at the Kolmar Sports Centre

**President Nigel Hurst officially opened the meeting at 4pm.**

**Present:** Garry Wood, Peter Boyd, Nigel Hurst, Regina Lillii, Josh Plummer, Rajeev Rajagopal, Logan Clark, Nicholas Holden, Jo Holden, Vijay Soma, Mike Jamieson, Paula Gruber, Peter Ambler, Neil Ronaldson, Simon Poole, James Kemp, Lindsay Rewcastle, Kevin Henderson, David Price, Denis Currie, Gary Troup, Darron McMurchy, Anthony Lazell, Nick Cage, Stephen Nelson, Daniel Neilson, Gareth Shaw, Lance Shaw, Nic Gage, Wally Stamp

**1. Apologies**

Paul O'Brien, Noel Burnside, Roger Harris, Rodney Price, Bhupinder Singh, Guy Ronaldson,  
Moved apologies to be accepted Mike Jamieson; Seconded Gary Troup

Carried.

**2. Obituaries**

Nigel mentioned the passing of honorary Life Member, Jerry Green. Nigel gave a short summary of Jerry's playing days and some great memories they had. Also, mentioned that there is a write-up of Jerry in the Annual Booklet.

**3. Confirmation of Minutes from 113<sup>th</sup> Annual General Meeting**

- a) Matters arising from 113<sup>th</sup> Annual General Meeting Minutes: L Shaw to be added to Vice Presidents, Life Members P Boyd, N Ronaldson to be taken out.  
Moved that the minutes be accepted as a fair and accurate record, Neil Ronaldson; Seconded Peter Boyd.

Carried.

**4. Correspondence:**

- a. **PCC (Garry):** Nigel Hurst asked Garry Wood for any correspondence to the Club. Garry Wood confirmed that only day-to-day emails are received.
- b. **ACA Report:** Nigel called James Kemp to the front to provide ACA report.
- James Kemp gave a quick summary of the playing season including Aces and Hearts winning their respective titles and contracted Black Caps and White Ferns players. Also confirmed that the international and domestic playing schedules are not yet available and is likely to come out in August with the delay due to Covid-19.
  - Also provided a quick summary of the Batfirst initiative that was introduced to low-decile schools.
  - Mentioned the increased numbers in umpires and their workload with over 1600 standing days.
  - The season saw a steady growth across all grades.
  - ACA have committed to \$870K package for all Clubs. Also mentioned that there is an opt-in and opt-out programme for the hardship fund for ball costs.
  - ACA are also providing Professional Development (PD) opportunities for Club Managers.
  - ACA are also in a cross-code working group with winter codes. Winter codes will finish up at the end of sept with cricket starting in the last week of October and finishing last week of March.

- James thanked the club for all their efforts at this time and asked the floor for questions.
  - Denis asked for feedback around financial struggles and wanted insight into how we compare to other clubs especially around success with grant funding. James mentioned that all other clubs are in the same boat around grant funding and advised that all Clubs get grants in as soon as possible.
  - Denis asked whether ACA have any additional support after Covid-19 and whether direct grants are available for clubs to help with the impact of Covid. James mentioned that no additional funding is available but mentioned that some clubs have been able to access the ANZ community funding. Peter Boyd mentioned that we are able to get up to 10K.
  - Kevin Henderson raised a question around current water issues and whether it would affect the upcoming season. James mentioned that ACA is aware and have been talking to local contractors and confirmed that it is looking positive with low impact on the season at this stage.
- No further questions.

Nigel Hurst thanked James Kemp for his time to deliver ACA's report and thanked ACA for their ongoing support of the Club.

#### **5. President's Report**

- a. Nigel gave those present some time to read through the report.  
Moved Gary Troup; Seconded Denis Currie that the Presidents report was taken as read and accepted.

Carried.

#### **6. Chairman of the Management Committee Report:**

- a. Nigel gave those present some time to read through the report.  
Moved Peter Boyd, Seconded Garry Wood the Chairman's report was taken as read and accepted.

Carried.

#### **7. Presentation and adoption of Annual Report and Draft Balance Sheet for 2019/20**

- a. **Financial Report:**  
Nigel handed over to General Manager, Garry Wood.
  - i. Garry mentioned that the Club has struggled financially over the past season. Mentioned that we have coached 4000-5000 kids at least once this season. Mentioned that schools coaching has been costly and that the Club is trying to cut back.
  - ii. In regards to revenue, the Club lost a lot of support from gaming machine trusts e.g. Akarana funding went from 30K to 5K. The Club also didn't get the sponsorship that they had hoped for due to Covid-19. However, the deal is still on the table for next season. Also mentioned that the Club's revenue has been in fundraising and sponsorship but the Club hasn't been great at event management.
  - iii. Delved into aspects of the Financial Report and pointed out that it is a draft at this stage as it is currently sitting with the auditor.
  - iv. Mentioned that there are no cash reserves as the Club sold shares to keep finances afloat. Objective for next season is to put money aside for reserves as contingency.
  - v. Credit/Expenses down.
  - vi. Loan from Bhupinder Singh that needs to be paid back.
  - vii. Donations and fundraising down. However, there was a significant push during Level 4 lockdown where past players/members pushed donations up.
  - viii. Mentioned struggle with collecting member subscriptions but made mention of how outstanding Simon Poole was as Club Manager with collecting subs.
  - ix. Three years ago the Club was using MYOB then moved to Xero to try and link invoicing with Crichq subscriptions.
  - x. Budget going forward is currently underway and Garry Wood was welcome to questions around this and made a mention of a potential change in the committee,

and that the incoming chairman is on board with a process. Will endeavour to put a lid on spending.

- xi. Garry made mention of the impact of Covid19 and that it was positive in terms of wage subsidies and loans which has enabled the Club to stabilize cash flow during this period. Also mentioned that it helped the Club reflect on our business and that there is still quite a lot of work to do on that.
- xii. Garry mentioned that he will get the constitution done as soon as possible.

Garry to open the floor up for questions.

Nigel thanked Garry Wood for his efforts.

Moved: Neil Ronaldson that the financial report be accepted; Seconded Gary Troup.

Carried.

#### **8. Election of Officers for the 2020-21 Season**

- a. Lindsay Rewcastle nominated by Peter Boyd into the Management Committee; Seconded Gary Troup.
- b. Lance Shaw nominated by Peter Boyd into the Management Committee, Seconded Gary Troup.
- c. Mike Jamieson nominated by Peter Boyd into the Management Committee, Seconded Gary Troup.
- d. Vijay Soma nominated by Peter Boyd into the Management Committee, Seconded Gary Troup.
- e. Neil Ronaldson nominated by Peter Boyd into the Management Committee, Seconded Gary Troup.
- f. Balraj Gil nominated by Garry Wood into the Management Committee, Seconded Neil Ronaldson.
- g. Karthikeyan Chandrasekar by Garry Wood into the Management Committee, Seconded Neil Ronaldson.

Neil Ronaldson moved that all listed nominations for committee for 2020/21 be accepted; Seconded by Peter Ambler.

Carried.

Nigel asked for any further Management Committee nominations from the floor:

Steven Neilson was nominated. Moved Neil Ronaldson; Seconded Mike Jamieson.

Logan Clark was nominated. Moved Peter Boyd, Seconded Neil Ronaldson.

Nigel Hurst left the stand for election of President with Garry Wood taking the chair.

Garry Wood called for Nigel Hurst to be re-elected as President.

Moved Gary Troup, Seconded Mike Jamieson.

Nigel Hurst resumed the Chair and called for Guy Ronaldson to be re-elected as Patron.

Moved Josh Plummer; Seconded Gareth Shaw.

Carried.

#### **9. General Business**

- a. Dan Neilson asked about whether our honours boards are stored somewhere and if they will be put up again. Nigel Hurst confirmed that they are stored somewhere and Kolmar have confirmed that there is no allocated space to put them up, unfortunately. Mike Jamieson made mention of a potential electronic honours board and Nigel reiterated that the Club definitely does need to do something to display the history of our club. Perhaps starting with asking Kolmar for a small space to hang premier photos. Also, even the idea of having a movable piece for photos and honours boards. Nigel reaffirmed that the Club will definitely look into it.
- b. Denis Currie recognised Peter Boyd and Gary Troup who are standing down from the Committee and mentioned the 9 new nominees who are willing to go onto the committee.

Also asked James Kemp to take information from our AGM back to ACA. And made mention of Garry Wood's Financial Report summary and is feeling more positive about the club and thanked the committee for their efforts.

- c. Nigel asked everyone to refer to the back page around office bearers and made a special mention around the history with himself and Peter Boyd and acknowledged the many years Peter has put into the Club as Chairman. Nigel thanked Peter dearly and that the Club is indebted to him.
- d. Nigel also acknowledged Gary Troup and his great contribution over the years and asked the floor to give them a round of applause.
- e. Gary Troup endorsed what Nigel said and acknowledged Peter for what he has done over the years and how much he has shouldered a lot of the Club's struggles himself. Also made mention of how encouraging it is to see the number of people who have put their hand up for the Committee and that he will always be around to support the Club. Also acknowledged David, Denis and Simon Poole for all their efforts, and reiterated that their hearts are in the Club and would like to see it succeed. Mentioned the importance of the Club's memorabilia and endorsed the idea of a moving piece. Gary also made mention of how the Club is conscious of the importance of raising funds which has been left to Garry Wood and Regina Lillii to do it all which is hard with it being a 12-month role as opposed to seasonal like the 'old times'. Acknowledged the great facilities that we have and the importance of getting the communication with Kolmar right. Also asked James to go back to ACA around getting reassurance that ACA will continue to maintain good governance of the grounds.
- f. Gary Troup also announced an upcoming event where former Black Cap and Papatoetoe player, John Wright will be a special guest speaker at a luncheon on the 18th September that the Club is organising. Pointed out his photo on the wall and mentioned that he has a great story to tell with all his IPL experiences. This will be a significant fundraiser for the Club as there will also be raffles and auctions. Gary is hopeful that if successful, that this will be an annual club event.

Nigel asked the floor for any other items and thanked Gary Troup for his words, and thanked Peter Boyd again.

- g. Darron McMurchy thanked Garry Wood for his efforts over the season, and made special mention of his patience and flexibility and is looking forward to working with him again next season.

Nigel thanked Regina Lillii as well for her efforts.

Nigel asked the floor for anything else.

With there being no further business, **President Nigel Hurst officially closed the 114<sup>th</sup> Annual General Meeting at 4.45pm.**

## Chairman's Report

As we look back on the 2020/21 season, there is no doubt it was one of the strangest we've lived through. Covid-19 dominated the season, even when we were in Level 1, there was the constant question of what is in front of us, what disruptions we would have to deal with.

The culmination for our club was the Papatoetoe cluster in February that disputed our community and our club. What I can say though is that throughout the season our players, volunteers, supporters and administrators really stood up and got the club through the season. So thank you to you all.

It was a mixed season for the club. Our Premier Women's team was decimated by players returning to Samoa & players deciding in the environment we were facing they would sit the season out. This made for a very challenging year on the field.

Two positives on the playing side though, there is a good group of younger players coming through the club, they may still be a season or two away from moving up to Premier Women, but the future is bright.

The second positive is as we saw at the prizegiving a number of women players made rep sides, NZ Maori, Auckland age group & the Hearts. So congratulations to all of them.

*NZ Maori & Auckland Reps*

Our Premier Men had an OK season, some really good games, others not so much. The Premier Men got to the semi-finals of the T20, final of the Richard Jones One Day & kept their place in the Hedley Howarth two-day competition. And they won the Hellaby Hunt Cup that is played between Papatoetoe and Howick Pakuranga.

So it wasn't a lost season, but as we look at next season we are looking at a number of initiatives to make the Premier Men more competitive. You will see these initiatives roll out over the winter. The Premier Reserve & Third Grade Men had their moments, but again we have to look at how we get them winning championships.

Congratulations to the Papatoetoe Knight Riders on their one-day championship win and their promotion for next season.

Last but not least on our players are junior teams. Thank you to the parent volunteers that kept these teams running and thank you to the junior players for turning up to play.

One real positive aspect of our junior club was the formation of the Aspire Academy in 20/21. According to our coaches, real progress was made by the first intake of eight boys, we see them as the future of the Premier Men's team. The second intake has just been chosen & again we see them progressing through the club.

*ASPIRE Academy with Black Cap Lockie Ferguson & Machine Road*

One junior initiative we're working on is a strategic alliance with the Flat Bush Cricket Club. Still to be finalised but the concept is Flat Bush will expand their Sunday T20 to cover Papatoetoe and Papatoetoe will help juniors in Flat Bush and Botany by bringing them into our coaching programs. This will include the Flat Bush and Botany schools.

*Guest Speaker John Wright MBE*

The one real highlight for the club was the John Wright lunch. Again it was Covid disrupted but we got through this. As an event it highlighted everything that is good about the Papatoetoe Cricket Club. Gary Troup did a magnificent job organising the event, not only with his vision of how it could work but also in bringing in sponsorship and auction items. And the volunteers that backed Gary up, too many to name. But I must make special mention of Nigel Hurst, who on the day was superb as MC.

On the financial side, money was tight throughout the season, but we did end up with a small profit, the first time the club has done this in 3 seasons. As we look forward we have to tighten up our administrative systems and raise more funding through sponsorships.

One last point, thank you to everyone who made me feel welcome on my return to the club. You couldn't have been more welcoming. I now have a much better understanding of what the needs are and the committee, administrators & volunteers will be focusing on delivering these improvements over the next 2 – 3 years.

Let's have a great 21/22 season.

Lindsay Rewcastle  
**Chairman**

## **President's Report**

What a difference a year makes. This time last year we were in full lockdown the season had been severely curtailed and days spent in the 'bubble' rolled into each other as we awaited a reprieve from the sanctions in place. By October a sense of normality was slowly entering our daily lives.

This season was a successful one in many ways. The fundraiser at the beginning of the new season was a fantastic success. Club members old and new joined together, and through the efforts of the organizing committee led by Gary Troup, saw an outcome more than we could have wanted. To those who provided funding goods and activities for auction and raffles my sincerest thanks. It was heart-warming to see members of the club from days gone by support this with many traveling from a distance to attend. The support from our local community was outstanding. Thanks to Barfoot and Thompson for the financial support and being there on the day to assist with the live auction. To the committee members your efforts on the day assisted the smooth running of a highly successful day. Gary and Regina your tireless work not just on the day but throughout the season is appreciated.

The committee this year in the very capable hands of Lindsay Rewcastle have done a splendid job and hopefully the fruits of their collective efforts will come to fruition in the coming years. In any successful organization, consistency and long-term commitment is a key to success. I hope that the majority of you raise your hand at the AGM and continue to lead us through what for all sports and not just at grassroots are very troubled times.

To all of you who donned the famous Red Cap my sincerest thanks. As I have said a club is about people. Without people we would not exist. To those who excelled in their respective roles in either batting, bowling, or fielding, congratulations or my sincerest apologies for not being there on prizegiving night to recognize your achievements but due to poor health, I was unable to attend.

To those who coached at both senior and junior level you have my admiration. As a college sports coach myself the time and effort you put in is usually beyond the call of duty! I Hope you are all willing to take this on in the coming season.

To Barry George and his hardworking team thanks for providing a fantastic environment in which we can enjoy our chosen sport.

I wish all club members a safe and warm winter. Players take time to reflect on your season and look for areas of your game that need improvement. To our life members and club members stay warm stay safe see you all in October.

Kindest Regards,

Nigel Hurst

**President/Life Member**

## **General Manager's Report**

The 2020-21 season proved to be a season of dealing with significant disruption. With Covid-19 impacting on the end of the previous season, no-one really knew what the incoming season held.

Due to the lockdowns in March and April the senior and junior prizegivings were held in conjunction with the AGM in late July. This proved to be a really good idea as it then meant the AGM was really well attended.

At the AGM a completely new committee was welcomed in. They were: Lindsay Rewcastle, Neil Ronaldson, Lance Shaw, Mike Jamieson, Stephen Nelson, Balraj Gill and Logan Clark. This was really heartening to see so much fresh energy and thinking prepared to help with the running of the Club. Lindsay Rewcastle was appointed as the new Chairman to follow Peter Boyd.

My thanks to Peter who toiled away for quite a few years largely to get the Club through some tough times, along with the advice and support of Gary Troup. Both were solid rocks on which the staff based decisions and actions for a long time, however it is really encouraging to see a lot of new faces at Committee meetings.

A special mention of Nigel Hurst who remains on as President and supports the Club with his sage advice and unmistakeable presence as an MC at so many of the Club's functions.

The run into the 2020 season was challenging to say the least. With the initial impact of covid 19 the off and pre season had a very different feel to normal. The amount of legislation and rules that impacted on the start of winter trainings added so much confusion and frustration to the start up, but such was the impact of the virus.

One very important result of covid was three less junior teams registering than the previous season, and one less men's grade side. Whether this was directly due to covid is debateable, but it meant the Club failed to reach the threshold for principle club status for last season year and will be put on notice by Auckland Cricket. This has implications for the ACA grant the Club gets and could see us lose about \$10k in external funding, however with enough time to address the situation I am confident the Club will do better in the recruitment of new players, especially in the junior section.

Finding enough income is always an issue as the Club walks a financial tightrope. Getting sponsorship was identified as a must do and we thought we had signed off a very good deal for the three year sponsorship with local builders, Designer Homes. However after just one payment covid struck again as the sponsors found themselves in a tricky financial position and have not contributed to our income again, to this point. This had a significant impact on the Club's projected cashflow towards the end of the financial year as we didn't get some of the grants we applied for and were left with expenses to settle such as prizegiving awards out of existing funds.

Every year income is very low from around February through to when subs start coming in around August. Last year was no exception. The support in donations and match ball sponsorship was well appreciated as old Boys again supported the Club as they always have.

The Club generally did well with the grants that were applied for with a slight rise in income up from the previous year. However it would be unwise to think we will continue to get close to that level from that source every year. With that in mind we really do need to look at sponsorship and fundraising with an intent to significantly improve on these two segments of our revenue streams.

In late October the Club organised a hugely successful fundraising luncheon with ex Black Cap captain and Papatoetoe player, John Wright, as the guest speaker. It is this sort of club based initiative that needs to be bedded in as part of our fundraising DNA. Huge pludits to Gary Troup who worked so hard to mke a success with this function by driving the efforts in finding sponsors and auction donations and in making sure all of the component parts were aligned and in place. Many others helped in large and small ways, and we appreciated support from sponsors that included Barfoot and Thompson, Chillex, Cooper Tyres in Manukau.

Along with the introduction of the new sponsor, the Club went through a complete makeover of the playing uniforms. While it will take another season to see all the changes across all teams, it is intended the new playing uniforms add some pride to playing for the Club, both on and off the field.

*Head Coach Barrington Rowland.*

In addition the Club employed well known local cricketer, Barrington Rowland in the role as Head Coach. Barrington had a very strong playing record in Indai during his formative years, with over 5000 runs scored at domestic level in local competitions. Barrington is passionate about coaching aspiring players and has made an immediate impression of all sections of the Club where he has been working.

A new initiative was the instigation of the ASPIRE Academy. Intake one saw eight young club members beteen the age of twelve and fifteen invited to attend regular sessions under the tutelege of Head Coach, Barrington Rowland. These boys train 2-3 hours a wek with Barrington with a view to growing very good young cricketers as part of the Club's aim of being a contender at the higher grades in the near future. As part of the 2020 sessions the Club used Kyle Jamieson, Lochie Freguson and Colin Munro as guest presenters.

*Lockie Ferguson gives advice to the group.*

*The first intake with Kyle Jamieson.*

*School Holiday net session.*

Working in conjunction with Kolmar, the Club ran successful holiday programmes in each of the school holiday breaks. This initiative proved to be very popular in all sections of the Club, and should become a great place for young cricketers to improve their skills as well as provide another handy revenue stream. It is intended for these to be regular fixtures in the annual calendar.

*Women's Kilikiti Competition hosted at Papatoetoe Rec Ground.*

Another initiative was to link in with a local Samoan youth group and create a Kilikiti section as part of the membership. This is the first formal collaboration of its kind in New Zealand. The highlight was the first ever one day Kilikiti tournament in NZ specifically for women and was hosted at Papatoetoe. It is hoped that these connections into the local community will enable and grow participation to ensure the Club

has the membership to sustain a viable principal Club.

School activity was reduced due to the uncertainty of Covid, but the Club still managed to meet delivery targets for grants received. The question, as always is how to do more than just catch numbers. With the new Chairman having some proposals about where the club should target schools and why, some of the activities should bring real payback for the membership strength.

*HOWZAT cricket at Dawson School*

*Non-stop cricket at Flatbush School.*

A reminder to all members should check the website and newsletter for regular updates

Regards,  
Garry Wood  
Club Manager

## Premier Men's Report

It was great to be back playing for Papatoetoe after nearly two seasons out overseas. For me, there is nothing better than putting on the Papatoetoe colours and leading the team is a great honour.

Firstly I'd like to thank the committee for all their support throughout the season. I as well as all of the boys would like to personally thank Lindsay for all the work he has done

in particular his support and words with the team were greatly appreciated this was highlighted by our win over Howick Pakuranga which I know he thoroughly enjoyed. It was great to have Lance Shaw leading selection this season. It is never an easy job and the value he added to the squad was evident. Barrington Rowland arrived at the club with great enthusiasm and this fed into the playing group. A vastly experienced player and coach he exceeded expectations and is a great guy to have at the club. We must keep guys like Baz in our community.

*Premier Men in new playing uniform.*

We played some fantastic cricket throughout the season and feel our results are a fair reflection of where we are at as a team. In all three formats, we showed we can match it with the best teams in Auckland and the challenge moving forward is to achieve greater consistency and play our best cricket in knock out games.

*Logan Clark*

In the T20 competition, we made it through to the semi-finals before being beaten by east coast bays. At halfway we restricted them to 130 and thought we had kept them well below par on a decent wicket. Unfortunately, it rained for close to an hour leaving us needing 70 off 8 overs. This bought Bays back into the contest and then lost two early wickets in our chase and never really recovered. Normally we would chase that 9/10 but couldn't get over the line. To that point we played some aggressive cricket lead by the top order.

All the batters stood up at various times and winning 5 out of 7 in the group stages showed what we can do. Two of our best wins were against rivals Howick Pakuranga and Parnell. Our bowling group was fantastic and showed great composure to get us ahead in most games.

The one-day competition was our most realistic chance of a competition win. With the new competition structure, we were placed in the bottom 8 and before the season we knew anything less than winning was going to be disappointing. Again we won 5 out of 7 on our way to qualifying for the semi-finals. We got a little luck not needing to play the semi due to Covid. In terms of the cricket we played the 50 over games were probably where we let our standards slip the most and at times let the opponent back into the game from very strong positions. We had 5 hundreds in this

*Sunit Birla*

*Barrington Rowland*

competition which was pleasing to see. Josh Plummer and Barrington lead from the front and Luke Istead showed what he can do at the back end of an innings. In most games, we put a big score on the board and then the bowlers would finish the job. Sunit Birla was a real stand out in this competition and led the attack well. In the end, we lost to a good Eden Roskill team in the final. Having beat them twice already this

season we were confident going into the game. Unfortunately, we were outplayed on the day and they deserved their win. Hopefully, we can go one further next season.

The two-day competition highlighted our inconsistency as a team and in the end, we're well off the pace of the top teams. For me, we just didn't score enough runs to put pressure on the opposition. Too often we were 3 or 4 down at lunch and asking far too much of the lower order. In the end, we beat the teams that we needed to be below us on the table and managed to stay up with a bit of breathing room. To be more competitive next season the pressure is on the batters to put the numbers up and am sure we all will be looking to rectify that. Daman Bhatti was fantastic with the new ball and always looked threatening and am sure he will build on this next season.

*Daman Bhatti celebrates a wicket with Nav Aujla*

Overall it was a good season and I know that we have learnt some valuable lessons this season. Several guys gained some valuable experience which they will build on. It was great to see Avnit Prasad, Arnie Yugaraja and Rihaan Sayed make valuable contributions in the white ball competition. Shane Setia showed his class with a 100 in the last innings of the season and sure he will build on that.

Lastly thanks to the senior players for making the season enjoyable. In particular Logan Clark, Barrington Rowland and Josh Plummer were valuable sounding boards over a few beers or a coffee thanks lads.

Stephen Money  
Premier Captain

## Premier Women's Report

Amidst all of Covid-19's uncertainties we always knew this season was going to be a challenging one on various levels. We lost a core group of last season's squad to either injury or needing a 'gap-season', and with the borders closed we were also without our two experienced Samoan International players, Kolotita Lui Nonu and last season's Auckland Cricket Women's Player of the Year, Taofi Lafai. However, Northern Spirit seamer, Mereana Hyde returned to us after taking a season off to recover from ACL reconstruction surgery. We also recruited Northern Spirit spin-twins, Charlotte Sarsfield (who also played for Papatoetoe over 10 years ago) and Irish International, Eimear Richardson. So on paper, we still had plenty of knowledge and experience within the side.

However, with three Northern Spirit players plus myself all playing domestic cricket throughout the summer, it often meant we were not available for most of the club season. This meant 12-to-16-year-old players from the Reserve Women's team were required to fill in (with all of these players fresh out of the U16 Girls grade). So I was very proud of how our young'ns and the squad were able to adapt, take the challenge head-on and make the most of their opportunities playing in the premier grade.

*Youngsters, Carol Agafili and Cordelia Gallagher*

Our focus this season was to develop and provide opportunities to contribute, make mistakes, learn and make improvements, no matter how big or small, every single game. This way the team was able to play with freedom and enjoyment without the pressure of results.

In summary here are some of our strengths and highlights that were celebrated throughout the season plus our weaknesses to improve on going forward.

### Strengths & Highlights:

*Tetiare Mataora showing her power!*

- Tetiare Mataora's return to the side playing the crucial roles of vice-captain and captain throughout the season. She did a fantastic job guiding a young side. Teti also took on the role of opening batsman and showed significant improvement by the end of the season. I look forward to seeing her truly own the opening spot next season, and to continue to grow as a leader.
- Carol Agafili's immense improvement in only her second season of club cricket has been outstanding.

She was awarded the Premier Women's MVP and sits 7th in the overall Auckland Cricket Women's MVP ladder. Her quick progress and individual success was on the back of a lot of hard work with extra net sessions, already demonstrating her top-class work ethic, attitude, and willingness to learn. I look forward to her debuting on the domestic stage in the near future!

- Eimear Richardson's 50-ball 92 against Takapuna and 72-ball 97 against Auckland University. So very close to bringing up two tons with these outstanding opening knocks where she played all around the ground with slog-sweeps, paddles, and scoops causing headaches for opposition bowling attacks.
- Caitlin Hakeagatoa showed consistent performances with the ball as a genuine outswing bowler. Despite not taking regular wickets herself, Caitlin created a lot of dot-ball pressure that contributed to wickets at the other end. This consistency was recognised by Auckland selectors at the ACA Districts tournament where she represented Manukau and earned a well-deserved spot in the Auckland U19 Women's team who ended up champions at the national tournament.
- Barrington Rowland and Maia Lewis both contributed in the coaching department throughout the season. Barrington was involved more in the pre-season build-up and Maia in the pre-Xmas competition. It was fantastic to have both coaches involved and hopefully, we will have their knowledge and expertise on a more consistent basis in the 2021/22 season.
- Jaimie Veale's first season with Papatoetoe has been a standout one after taking several seasons off since playing for Central-West. Joined halfway through the season playing eight matches and racking up 11 wickets taking three 3-fers along the way with best figures of 4/12 against Howick Pakuranga.

*Eimear Richardson scoops one!*

#### **Weaknesses & Improvements:**

- Batting. Our team averaged 80 in the T20 competition and 121 in the One Day competition with team scores ranging from 36 to 235. This will be a huge focus for us next season by strengthening our basic batting fundamentals and reiterating the art of balancing discipline, strike-rotation, and power-hitting! This will hopefully build more depth in our batting order and improve our ability to bat for longer periods.
- Mindset. We need to keep improving in this area in the women's space by reiterating the importance of positive self-talk, body language, mindset, and self-belief. This in turn will help improve our overall team culture too!
- Fitness and fielding. Improving our overall fitness levels will ensure we stay focused, active and energised throughout our fielding innings so that we give ourselves the best chance of taking crucial opportunities. More fielding drills off the bat and outdoors will also help improve our skills, anticipation and awareness.
- Tactics and situational awareness. Our bowling attack was definitely our team's strength but as a bowling unit at times, we lacked clarity around our plans and the ability to execute them (e.g. bowling a simple plan to get hit on the off-side to force batsman to risk playing across the line). Same goes with our batting plans and situational awareness (e.g. simple plan to spin, getting out at crucial times etc.) which can be improved through more open-wicket scenarios.

- Consistent wicket-keeper. Unfortunately, we were without experienced wicket-keeper Lia Bourne so this role was shared around the team with Davinya Lulia being the stand-out in Lia's absence as she had good hands and a great attitude. Next season, we will need to work on continuing to develop Davinya (if she is keen) as a future wicket-keeper/batter in our Premier side.

Thanks Garry, Barrington, and Maia for all the invaluable coaching you provided throughout the season, and to the Club for its continual support and to all the girls (and parents) for being so patient and understanding in what was a very challenging season for the Premier Women.

We look forward to continuing to develop and improve into the 2021/22 season!

Regina Lili

## Premier Men Reserves Report

If this season had to be described in one word it would be “Rollercoaster”. Pre-Christmas the team had only lost 2 games; one of those being a narrow one run first innings loss to North Shore. This made for one of the most successful starts to a season we have had in recent years. Unfortunately we weren't quite able to carry this momentum into the later stages of the season, despite making the semi-finals of both the One day and T20 formats and finishing middle table of the Two-Day competition.

There were a number of standout individual performances throughout the season. Prabjyot Rehal had an outstanding all round season scoring a hundred, taking four 5+ wicket bags and leading the wicket tally with a mammoth 47 wickets. The opening pair of Shane Setia and Ritap both had successful seasons with the bat, Ritap scoring five 50+ scores which led to his selection in the premier side.

*Jack Shimmin accepting the Hunt Cup for the Best Club Side.*

*Premier & Reserve Men at home.*

Overall I really think the team developed a culture that everyone enjoyed playing cricket together regardless of the result. One of the better seasons the Reserves said has had since my time being a part of the team and I can only see good things coming from this team. Exciting times ahead as the team pushes its case for a championship in the coming seasons.

Jack Shimmin  
Premier Reserve Men's Captain

## Premier Women Reserves Report

The Women's Reserves team had a very good season with many of the girls playing in the women's grade for the first time after moving up from the Under 16s. Some of the girls even played in the Women's Premier team and were not out of their depth.

The team started off with a bumpy ride but it was evident that when the team was at full strength they were able to match it with the best teams. The team has a great mix of experience and youth with a few of the girls likely to go on to the Premier side in the near future.

A few of the key strengths of the team was our team spirit, from training session to game day, and their attendance and attitude was always high. Team captain, Nickie Maro, said "the growth, team bonding, and performance of the individuals and the team reached a level I never expected!" This is great to hear from a seasoned player and captain.

*Reserve Women & family*

The team was lucky to have their own umpire and scorer for each game, with many other parents stepping in also. We really want to thank all of the parents, not enough can be said to thank them for their commitment to the team, training, and games.

The girls all have a few areas to work on during the off season and are looking forward to winter training with Gee.

Roydon  
Coach/Manager/Umpire

*Megan Pearson accepting the Rose Henare Cup for the Most Improved/Promising Player*

*Kiri Anderson – Reserve Women's MVP*

## Junior Club Report

The junior section of the club consisted of seven junior teams (six boys and one girls team):

- U15 Academy team managed by Vik Virdi
- U13/U15 Young guns team managed by Samir Kapania
- U12 Avengers team managed by Deborah Bland (won the U12 T20 Blue grade)
- U11 Plummer team managed by Toni and Marcus Driller
- U10 Istead team managed by Guru Kandola
- U10 Clark team managed by Satwant Grewal
- U16 girls Lilii coach and managed by Amit Sharma and David Pratt

Sadly, two girl's teams were lost from the previous season, but on a positive note the number of boys teams had increased by two. Deborah Bland was hired part-time to help Garry Wood with the organisation of the juniors.

*Barrington Rowland taking a Weds Batting Clinic*

*Stephen Money taking a Wicket-keeping Clinic*

The above teams were coached by coaches provided by the Club and each junior had the option to attend the skill clinics run by Barrington Rowland (Head Coach) for an extra cost on Wednesdays. The skill clinics were very popular with approximately 25 boys attending on Wednesday sessions.

*School Holiday Program with the Under 11 year-olds*

Thank you to all the coaches that helped coach our juniors: Regina Lili, Barrington Rowland, Rihan Sayed, Josh Plummer, Daman Bhatti, Tetiare Mataora, Carol Agafili and Ritap Gill.

Sprites cricket for those new to cricket and aged 5 to 9 years was run on a Friday from 4.30 - 5.30 pm with approximately 35 registered. The sprites were introduced to basic cricket skills over the season. Highlights included Luke Istead dressing up as Santa for the Sprites Christmas party, match days and the Easter egg hunt at the end of the season. A big thank you to Carol Agafili, Tetiare Mataora and Rihan Sayed who coached the Sprites on Fridays.

The junior club also hosted umpiring and coaching sessions for parents; promoted cricket and sent coaches into many of the local schools including Papatoetoe Intermediate, Ormiston Junior College, Redoubt North, St Josephs, McAuley etc.; ran Have-a-go days, Yeah girls and zone competitions for the local schools and ran successful free holiday programmes for children aged 5 - 17 years in the July and October holidays.

Highlights for the season included: the U12 Avengers team winning their post-xmas grade and being the flag-bearers at the T20 match at Eden Park when the Black Caps played Bangladesh. Also the U15 team managed by Vik Viridi winning both midweek and Saturday T20 competitions.

The goals for next year include continuing to grow the number of juniors at the club, with a special focus on increasing the number of girls playing and sprites and also developing quality and reliable coaches to help develop the juniors at Papatoetoe.

A big thank you to the Managers of the teams and also those who helped score and umpire, we couldn't do it without you!

#### Manager's report U10 Clark team by Satwant Grewal

The U10 Clark team had big changes to it over the season with it being split after Christmas to form two teams: the U10 Clark and the new U10 Istead team. The original Clark team was a mix of boys who had already played a season of hard ball and boys who were new to hard ball. After Xmas the boys new to cricket formed the U10 Clark team and the more experienced boys played in the U10 Istead team. This split allowed the boys to play more cricket and try new things. The Clark boys played with full confidence and enjoyed their games, which is the main thing at this age. In the post-Xmas competition they played a total of 5 games and had two wins, two loses and one draw. Overall a successful year for us.

### Manager's report U10 Istead team by Guru Kandola

I, Guru had the privilege to coach/manage the Istead team. Most of the kids were totally new to leather ball cricket. But they have built up confidence throughout the season and we were able to give good fight backs to top teams. Kids have learned a lot during this season which will help them for next season and I believe these kids will start to deliver good results next year.

### Manager's report U11 Plummer team by Marcus Driller

The Plummer U11 team was a newly formed team this season. The team was made up of a few boys who had been playing cricket for a few seasons, and some boys who were playing in their very first season of cricket. The first few games saw the boys suffer some big defeats, but as the season went on the skills really improved and we ended the season on a high note by winning the last two games. Some of the highlights of the season included the real

development of Aiden Narayan's bowling (named Most Improved Player), Malachi Driller's run outs from behind the keeper (named MVP) and the great all round skills and teamwork shown by Zawair Khan (named Coach's Choice). Most important though was the attitude and sportsmanship shown throughout the season by the entire team. A huge thanks to Shabnam Sharifi for scoring nearly every match and Alison Narayan for her constant support of the team.

### Manager's report U12 Avengers team by Deborah Bland

This team has played together for three seasons, and the improvement and development of skills in all the players in this team was apparent this season. Each player had the chance to Captain the team as well as try out all areas of the game: opening the batting/bowling, wicket keeping etc. Each boy in the team was dedicated to improving themselves and it was very rare to not have a full team at team training. Due to their efforts, they ended up winning the U12 T20 Blue grade. Well-done boys! A special thank you to Prem Bahal for umpiring every match and Harpreet Kaur and

Rizwana Khan for scoring the matches.

### Manager's report U13 & U15 Young Guns team by Deborah Bland

This team has played together now for a number of seasons and is managed and coached by Samir Kapania. It has a supportive group of parents including Raj Sharma who helps Samir run the team. Prior to Christmas, they played in the U13 competition and U15 competition after Christmas. Some standouts in the team are Saket Kapania who took the most wickets and catches and Pratyush Khatiwada who gives 100% in all the games and training sessions and sets the example for an ideal player on or off the field.

### Manager's report U15 team by Vik Virdi

Year 2020-Transitional year for U15

Congratulations to all the boys. What a year it was. We were lucky to have a full season after the lockdowns and weather played its part, where none of the games were washed out. In total U15 played over 23 games, and finished no 1 in midweek T20 and Saturday T20's.

All of them played very good and solid cricket and showed great team spirit. As per individual performances, Pahul Singh finished with massive 600 runs in the season and best score of 92 runs in 30 balls and is already playing in seniors in the second half. Hardil Singh became a good craftsman for spin bowling and took 34 wickets in the season with best figures 4/9. All the other players, Aaron 600 runs, Austin 530, Robin 372, Mantej 279, and Robby 269 played their part. Most of these kids showed great commitment, along with club cricket they played college sports as well. As most of the boys will be playing college sports or men's cricket from now onwards, I wish these boys best of luck for the future, also on behalf of all the parents, we want to thank Barry Rowland for his contribution, lucky to have you by our side. Special thanks to Garry Wood for making it a successful year, hopefully we will reap all the hard work from here.

Wishing everyone good luck for 2021.

### Coach/Manager's report U16 Lili by David Pratt

The 2020/21 season was an opportunity for the majority of the team to further develop their cricket skills from playing together for the past 2 seasons.

With 6 of the team still eligible to play Under 13, results were always going to be hard to come by, so the focus was on player development, a rotating batting and bowling order and ensuring the girls were supportive of each other and keeping up the player enjoyment factor and a love for the game.

Some of the girls were invited to play in the premier reserve team during the season, and 2 girls (Kamayani Jolly

& Siupeli Fakatava) represented Manukau Districts U15.

On the post-Christmas Auckland Cricket U16 table, Ananya Sharma was 4th for batting and 20th for bowling. Ananya was awarded the team MVP award.

Most improved was awarded to Poppy Van Rensburg, and Coach/Manager award went to Siupeli Fakatava.

We are looking forward to the 2021/22 season, the focus needs to be on squad depth and if possible on keeping the team together.

## **Obituaries**

### ***Basil Bell***

Basil Bell came to Papatoetoe in mid 1980s and played for Presidents "Greys" team. His two sons Famon and Sean also played for the club. Basil and wife Pam toured with the Papatoetoe Golden Oldies team to Brisbane in 1988. Earlier in his cricket career Basil had opened the batting with Glen Turner for the Albion club in Dunedin. Basil was a great club man and had many friends among the mature membership of our club.

### ***Andrew Crocker***

Andrew Crocker played as a younger member of the club in the 1980s when his father, John Crocker was Secretary of the club and continued as a supporter of the club after moving into Kohimarama and recently they both attended the John Wright luncheon. Andrew was a passionate cricketer and coached his two sons Haydn and Matthew through the schoolboy grades at University Cricket Club while also playing himself.

Andrew had many friends at the Papatoetoe club and also had a successful career as CEO of Ngati Whatua Property and it was a shock to all to lose Andrew at the age of 49.
