On behalf of the Club, we would like to wish one of our legendary Life Members, Gerry Green a belated happy 99th birthday for Wednesday, 20th March! What a wonderful innings so far, keep up the great work, and we wish you continued good health and happiness as you kick off your 100th year!

PAPATOETOE CRICKET CLUB CHAIRMAN'S REPORT

With another season in our clubs proud history behind us I congratulate you all for the season and the achievements both personal and within your team environments that were reached.

Whilst results on the field may not quite have reached the heights many aimed for the comradery and spirit in which the game was played across the club was in the true Papatoetoe spirit and ethos that we as a club continue to live by. This was no more evident than at this year's prize giving where we chose to take a slightly more relaxed approach and the support, laughter and fun of the night made for a very enjoyable evening.

Our staff, Garry, Regina and more recently Tarryn thank you so much for your patience, perseverance and time fulfilling many roles. Bhupinder your time dedication and passion for your club its people and our community I cannot commend you enough for and we are truly indebted to you for your commitment.

From a management point of view this year has been challenging as different roles were absorbed by our staff. The cost of running a club continues to rise and balancing the books is a constant challenge, it has been extremely disappointing the level of non-commitment and support of many throughout the club particularly in the payment of fees and we will need to seriously address these peoples involvement in the upcoming season, we cannot continue to be a charitable institution to a few just so we can meet our number requirements and commitments to Auckland Cricket.

Like all organizations we continue to have to rely on funding for various aspects of the running of our club and this avenue continues to be our major source of revenue and an area where Gary Troup's expertise and knowledge has once again served us well and we are truly indebted to him for this. Funding makes up over 70% of our income with subscriptions supplying the rest so it is important moving forward that we seek further sponsorship opportunities and utilize other avenues such as donations to help in the running of our club, every little bit will help

To all of our sponsors and charitable trusts as well as Auckland Cricket who continue to support us, thank you so much.

To all our volunteers, coaches managers, supporters and parents thank you all very much, but we still require more of you, I encourage you all to get involved in your club in the upcoming season and beyond, we all need to help out be in large or small contributions so our club continues to perform and function efficiently.

To all our players, I hope you enjoyed your season and look forward to seeing you back at the club later in the year when the new season rolls around.

Finally to our President Nigel Hurst, thank you so much for your dedication, unwavering support and love for our club, your role and presence is greatly appreciated.

Peter Boyd
Chairman Papatoetoe Cricket Club

PRESIDENT'S REPORT

It is with a very saddened heart I write this Presidents report. In January we fare welled Herby Plummer. Herb was a life member of our club and right to the end he was having a beer at home games and following his Grandson Josh who currently plays for our Premier team and is on the committee. The Plummer family have a long and very decorated history within our club. Herb's sons Mark and Brett both played Premier cricket. His Grandsons through both Mark and Shelly have also represented the club. How fitting that his Grandson Josh was awarded the Mike Reidy memorial for club player of the year. The night in 1985 when Herby and his bestie Dennis Currie nominated me for club Captain completely changed my life. I as a very young man had to stand in front of club legends and give results. Those family names Burnside, Troup, Price, Peach, Hellaby, Rewcastle. Men who I had looked up to were now looking at me. Great men, great club men. And how can I not acknowledge the input of the Ronaldson Family with Guy still our Patron and Neil working closely with our Premier team. Thank you for your continued support. We are and always will be a family. Congratulations to my old mate Gerry Green on his 99th birthday. To Roger Harris you make it every year to at least one game Val Harris you are a legend.

We also fare welled recently former club captain Colin Murphy a great club man whose contribution will never be forgotten.

Peter Boyd was awarded Life membership at last year's AGM a fitting accolade for one who has spent decades in service to his club both on and off the field.

I would like to acknowledge the work of Simon Poole and Meghan for their contribution to our club over many years.... Enjoy your rural lifestyle!!!

To Peter and his hard working committee thank you for all your hard work over the season. To Garry and the wonderful Regina Lili, Fa'afetai lava for all your work.

To all teams Congratulations on your wins. To our Captains in all teams thank you. To all club members, thank you see you next season. Papatoetoe Cricket club is more than a club WE ARE A FAMILY.

*Regards
Nigel Hurst
President*

GENERAL MANAGER'S REPORT

The past season has been one of massive change. Simon Poole resigned as Club Manager after a long term in that role. He had put hours and hours of his personal time into the Club, far beyond any payment received. He had managed the Club through the huge changes, as we became part of what is now Kolmar and was very effective in significant key areas such as grant funding and subs collection. My thanks go to Simon for all those unseen hard yards and I wish him well in reducing his golf handicap. Along with Simon, Megan Spiers also decide time was up and moved on with Simon. Her efforts in the grant funding applications was one of the reason we were so successful in that area so that is also acknowledged and much appreciated.

Other changes came from New Zealand Cricket and Auckland Cricket with a substantial amount of game format changes both in the area of junior cricket and alternate cricket formats. The sheer weight of reading and trying to put some sense around what was needed to be done by the Club was daunting to say the least. As an example, these changes caused cost overrun in places like the ball purchases when the initial grant was not received, but we needed to provide balls for grades that were specific to the new offerings, so in all we were having to provide 14 different types of cricket balls, when we only had 4 of those types of ball in stock from the previous year. As this was compulsory, and we hadn't had time to get another grant submitted, this cost came straight out of Club funds.

The Club also spent far more money on the junior section coaching compared to previous year's. This situation was caused by the use of paid coaches for all the junior team. This was well received by all teams. However indications are subs are likely to have to increase to offset that service to members.

This season we went to the use of Criq HQ as our club database management system. Given we went from paper registrations to online registrations that rely on members to fill them in accurately it is fair to say there were significant challenges with the player data base accuracy and tracking sub payments. After a recent meeting with ACA over this and other matters, it would seem we are on the right track, so we will persevere with CHQ with a view to making it work for us. We have also hired a mobile smart pay terminal machine from ASB so that we can get card payments made on the spot. This would seem to be a good option and much easier to track payments. We have begun using it for collection of the winter program fees and it aids in both collection and accounting for payments so this should become a more effective way of getting the income collected in those cost centres.

The Schools coaching program was of a similar size as previous years, both in individuals coached and coaching' experiences' accounted for. For 2019-20 this figure will likely drop a little as the focus will change from in-curriculum time coaching to extra curricula engagement either before school, in break time or after school. With this change in mind, the Club ran a very successful after school pilot project in Bairds MainFreight Primary in

the summer of 2019 with numbers of 50 or more attendees participating on a regular basis. This is the way Aktive KiwiSport will fund programmes in the near future so the Club will be making further realignment starting this year.

In terms of the Club finances, the annual accounts will show a loss of \$23,961.

There are a number of factors that have contributed to that loss;

- The Club provided a lot more coaching to the junior sides than in previous years. This included the Friday night midget coaching along with the addition of a Saturday morning competition for Sprites.
- This year saw the withdrawal of Counties Manukau Sport from the primary cluster cricket late in the roll out of the cluster days. That lead to the Club paying for the supporting staff needed to ensure the three cluster days were fully staffed. This model will be reviewed for the incoming season.
- Staff costs were up as PAYE, ACC and Kiwisaver was required to be paid and as more staff were utilised this part of the staffing costs also increased.
- A comprehensive gear audit was done which highlighted the amount of club stock was obsolete and was subsequently discarded. This impacted on the Profit and Loss balances as well as the Balance sheet. The Club repaired as much as was feasible through an agreement with Cricket Express. Unfortunately that was not very much
- We needed to buy replacement basic equipment stock for the incoming season, but there was an additional cost to that because of the stock of new gear depreciation also went up.
- Although we were successful with more grant applications so that grants received went up, the total income comparison was down about \$7K.
- This income dropped in key areas. They were contestable funding that we had received from ACA for the previous season that we did not receive again and subs outstanding.
- A grant from Aktive was not forthcoming due to internal restructuring and the NZCT grant was smaller than previous grants received.
- There was also the issue of a couple of key grants not aligning to when purchases were needed to be made.

A grant schedule is being prepared and will be aligned in the budget for the next three years at an estimate of a 50% success rate

Changes have also been made in the way that the accounts have been analysed in the past. With a new Club Accountant and a new accounting software program system it will take a year for the changeover to bed itself in but I remain confident that these changes were needed and will be beneficial in the long run.

For 2019 I will be recommending a subs rise to the incoming Committee in most grades along with a stringent no play until subs are paid rule. Collection will be supported by the use of the eftpos terminal as mentioned in another part of this report.

Management Committee

The efforts of the following people on the Management Committee as always, was appreciated and valued by me. The Committee provided sound advice and were supportive in any initiatives that were proposed. Both the Chairman and Gary Troup were very good sounding Boards which I really appreciated.

The big push was always for the bigger picture and the best thing for the Club.

Thanks to Nigel, Peter, Gary, Tessa, Regina, Josh and Josh. Also thanks to Bhupinder in his tireless efforts off and on the field to make this the best little Club in Auckland

The Club hired Aileen Michie in the role of financial manager. Aileen's expertise and acumen has also been invaluable in moving the Club to a sound accounting balance and structure that provides essential checks and balances. Tarryn Barthow has been working tirelessly in bringing the membership database into manageable shape heading into the new season.

In heading into a new season, many of the new changes will have been debugged and our systems will be in much better shape. The Committee will be presented with a working budget by the first Committee meeting that will ensure that the end of year profit and loss schedule will not be in deficit for next season.

PREMIER MEN CAPTAIN'S REPORT

The beginning of the 2018/2019 saw the Premier Squad lose a number of experienced cricketers making it tough for the squad to continue to build on our efforts from last season. However, in my first season of captaincy I could not have asked for more from our very talented yet very young/inexperienced side.

Captain Logan Clark Credit:Phototek

Firstly, a big thank you to everyone behind the scenes that continues to help with the functioning of the premier team, Bhupinder your leadership and dedication to this side being a coach and a player is second to none. John ' General ' Lee once again thank you for your efforts every Saturday, whether it be getting the drinks ready, helping with the covers, telling us your crazy stories and for just being our number 1 supporter week in week out. Brett Patterson big thanks for taking up the scoring duties every Saturday. Neil Ronaldson

for taking on the selecting role. Vijay Soma for the constant effort and belief you have in your team and club in a somewhat tough season for our reserve side. To the life members and Old Boys who made their way down when possible to support us, your efforts mean a lot and we hope to continue to see you next season.

We once again started our season with a trip to Mt Maunganui to try to establish some team bonding/culture and incorporate a preseason fitness session into this weekend, which Stephen Money loved as he stood on the beach with his ice cream watching the lads busting their guts. It was a great weekend, lots of fun and laughs but also a time to outline our goals, standards and expectations we wanted going into the new season. It was good to welcome the new faces to our squad who would prove to play crucial parts to our season.

Leading into our first game away against East Coast Bays, we were feeling good in our ability to carry on from last season and grab a win first up. However, we were comprehensively beaten and as captain I quickly established that there was a key aspect of our game that we were missing. Our side has all the talent in the world, the missing ingredient was just our cricketing awareness, knowing how to go about things in certain situations and being aware of what stage of the game or what the opposition is looking to do and being proactive to counter that. It was good we identified this issue after the first game as we were able to work on it moving forward.

Josh Plummer Credit: Phototek

Standouts for me this season were Josh Plummer. His 2nd season with Papatoetoe and he really thrived this year. His brutal approach at the top of the innings saw us get off to some cracking starts with the bat taking the game away from the opposition within the first 10 overs on many occasions. Josh almost achieved something unheard of in the 2-day comp where he was set to bring up his 100 before lunch on day 1, but unfortunately was dismissed on 97 just 3 balls shy of the lunch break. Our bowling unit this year was a young one, our new seamer Daman Bhatti showed some real potential in his ability with the new ball and is definitely someone to watch in the next few seasons. Harshal Vyas joined us from Suburbs New Lynn and boosted our off spinning attack with some crucial spells throughout the season. Once again however Bhupinder Singh led the way playing only about half a season he continued to roll through the opposition batting line-ups with ease. Most of the playing group just don't know how he does it, he has not bowled a ball at training for the last 2 years!

The christmas break saw us say goodbye to our Premier Captain and great friend Stephen Money who has departed on his OE with his wife. Firstly, to do a bit of travel around Asia and then to London where he will be taking his explosive stroke play and cricketing wisdom to play in the English leagues during their summer. We wish you all the best Stevie G and hope to see you back in the red baggy in the near future.

Stephens departure made way for our overseas professional Jake Dunford. Jake is a Jersey international wicket keeper batsman who has been applying his trade in a number places around the world and found himself flying into New Zealand on the 1st of January to Join up with the Papatoetoe squad. Jake was just everything you ask for out of an overseas player. His work ethic and desire to improve his game was absolutely second to none. He added that sense of professionalism to the side as well as having a great sense of humour and being the nicest bloke you will ever meet. Jake has since departed on his way back to London and from there will compete for Jersey in an attempt to qualify for the 20/20 World cup. We look forward to watching his progress. We are also looking to get him back next season and hopefully for an extended period of time.

My first season as captain has been a challenging one but I have learnt a lot about myself and the game. I am looking forward to preseason now and with the rebuilding we have done this season hoping we can push for some silverware in the 2019/2020 season. Thanks again to everyone who has helped out this season, we look forward to seeing you all next year.

PREMIER WOMEN'S REPORT

The 2018/19 season started with full of energy and potential with the addition of two new experienced heads, one of which was Toni Baldwin from Takapuna Cricket Club and the other, Northern Spirit's Mereana Hyde. We also welcomed back Tetiare Mataora after a season off to recover from knee surgery, as well as Samoan International, Taofi Lafai who skipped a season. The rest of the team were back for more fun and what ended up being a roller coaster season with a promising start, an inconsistent middle, and a strong(ish) finish.

Mereana Hyde and Toni Baldwin

Unfortunately, our start-of-the-season hopes and dreams of finishing in the top two was not to be. Despite a strong start with first-up wins in both the T20 Pearl Dawson and One Day Prichard Cup competitions, we were unable to string together enough wins throughout the middle stages of the season to move up from the bottom two. However, on a positive note, we did manage to avoid the wooden spoon twice by winning our final games across both competitions against Parnell to take fifth place.

Even though we had a lot of inconsistent team performances, there were plenty of individual highlights and milestones along the way:

Lagi Otila Telea receiving Women's Auckland Club Cricketer of the Year Award at the ACA Dinner

- Our biggest highlight was Lagi Otila Telea finishing the season with the most MVP points across the Premier Women's grade and was therefore, awarded the Women's Auckland Club Cricketer of the Year with 352 runs and 23 wickets.
- Maiden half-century for Lagi Otila Telea with an unbeaten 75 off 50 balls against Howick Pakuranga including 11 fours and 3 sixes.
- Maiden half-century for Feala Vaelua with 59 runs off 34 balls against Cornwall including 6 fours and 4 sixes.

- The opportunity to play two matches on Papatoetoe's number one against Howick Pakuranga and Parnell.
- 13-year-old Kiri Anderson debuted for the Premier Women in a T20 match against Cornwall and also claimed her first premier wicket, which was the big wicket of Auckland Heart, Saachi Shahri.
- 15-year-old Tayla Maika debuted for the Premier Women in a 50 over match against Howick Pakuranga on Papatoetoe's number one.
- Toni Baldwin and Mereana Hyde played their first game for Papatoetoe against Waitakere/Auckland University where Toni scored 50 off 82 balls and Mere took 2/35 off 9.1 overs to contribute to a good first up win.

- Lagi Otila Telea winning the major Ross Robertson – Pursuit of Excellence Award and Taofi Lafai winning the Webber Cup – Merit Award at the end of year Club prizegiving.

With summer just around the corner and plenty to reflect on, we are looking forward to getting stuck into winter training so that we can improve and ensure we have a much better 2019/20 season. Last but not least, on behalf of the team I'd like to thank Garry Wood and the Committee for all their continued support of our team, we really appreciate it.

PREMIER MEN RESERVES' REPORT

We went into the 2018/19 season having lost a number of experienced players that had moved on for various reasons, this however meant a huge opportunity for young players such as Ritap Gill, Ronnie Singh, Sukhdev Singh and Rihaan Sayed to cement their positions within the side. Fielding such an inexperienced side was reflected with our results where we were not able to perform consistently enough to win games of cricket each Saturday and therefore be in contention for championships. In saying that the younger players would have learnt a lot about what it takes to not only perform at Reserves grade but also Premier level.

The one-day competition started off with an away defeat to a very experienced Eden Roskill side who would later go on to play the One Day Final against Suburbs. This was followed by a rain affected loss against Suburbs and then a quick transition into the two day competition. We unfortunately started off the two day campaign in similar fashion to our one day competition with a big first innings loss against a strong Parnell side, however managed to hold on for a draw. Prabhjot Rehal who had moved over from Eden Roskill before the start of the season played a mature and match saving innings going on to score 100 not out and deny Parnell the outright. The next two two-day games were crucial for us to get our season back on track and so it turned out to be. Playing our first two dayer at home against Cornwall got off to a very poor start after being put into bat being 35/6 half way through the first session. Some cameos down the order by Kamal, Jack and Ronnie meant that we were able to fight ourselves to a sub par but defendable total of 139. The remainder of the day belonged to the opening bowling duo of Ronnie Singh and Jack Shimmin who tore through Cornwall's batting line up bowling them out for just 86 finishing with 5-23 off 12 overs and 3-13 off 9 respectively. The second day was rained out meaning that we weren't able to push for an outright but nevertheless a confidence boosting first innings win against a strong Cornwall side. This performance was then backed up by a first innings win against Waitakere bowling them out for 209 and then narrowly missing out on a bonus point by being bowled out for 228. Again rain played its part in denying us a chance for an outright. This brought us back to the One day competition to take us through until Christmas break. A narrow loss to East Coast Bays losing out in the penultimate after posting 189/5. A few drop catches in the field turned out to be our downfall. This followed a tough loss to Cornwall. We finished the one day competition in 7th position only managing a win against Waitakere.

The two-day competition however was a different story where we were in contention right until the end. Round 4 got us a much needed first innings win against Eden Roskill where we made 222 with Kamal Yadav being at the forefront of our innings scoring 84, being denied a 100 after running out of batting partners. Roskill looked comfortable for most part being 70/2 end of Day 1. Day 2 started with Roskill reaching 120/2 but big fightback meant we went on to bowl out them for 206. The win meant we went into the match against table topping Suburbs with a lot of momentum. However, Suburbs showed why they were the best side in the competition and winning both titles by putting on a clinical outright performance against us. A tough loss to North Shore and a low scoring first innings loss against East Coast Bays where both sides scored less than 100 all but ruined our chances of winning the two-day competition. An individual performance to note was the bowling performance Rihaan Sayed two 5 wicket bags and 19 wickets in the last 3 innings. Batting was our biggest weakness this season, unable to put on competitive totals consistently and meant.

that majority of the time our bowlers were defending sub-par totals. Whenever we posted even a par total we always looked a good chance to win which is a real positive. Overall I think this season was one of development and in which particularly the young players can learn a lot. We would have to be by far one of the most talented sides in the Reserves grade, however we were also one of the most inexperienced sides. This goes to show that experience plays a major role in being able to close out tight games and win championships. With the right attitude this team can go a long way towards winning a title in the upcoming seasons. A special thank you to Vijay and the rest of the senior players in the side that made my first season as a Reserves captain a very smooth one. Thrown into the deep end at the start of the season, it was definitely a huge learning experience. It has been a huge honor to represent this team and club and something that I will remember for a very long time to come. Thank you to all the players and coaches for making this season another exciting one. I look forward to seeing everyone next season.

PREMIER & RESERVES MEN

7th GRADE MEN REPORT

One Day – P 7, W 4, L 2, A 1 = 2nd

Two Day – P 7, WO 2, WF 2, LO 1, LF 1, D 1 = 1st

Season = 1st

This season was a refresh, after an awful 2018 saw us relegated.

A new grade and many new faces meant we were able to assert ourselves, and in doing so play a style of cricket that best suited our team – results came with it.

In the One Day section we started with a massive score, 365 against Birkenhead. However the following week, we lost on a drizzly day at Kumeu. The bad days would prove to be the anomaly, with only one further loss against us.

The final One Day round saw us demolish a good Parnell side, with VC Tejinder carrying his bat for 137*. Our winning margin of 207, saw us leap two spots up the table to finish 2nd – a crucial step in the season story for us.

In the two-day section, we began with an Outright win over HP, declaring early after a counter attacking innings of 104 from Daniel. That gave us plenty of time to chase down the 102 needed in the 4th innings for the best possible start. That would prove a nice buffer, as the 2nd round was curtailed by rain. Into February we once again we given a reality check by Kumeu, but in avoiding an outright loss limited the damage.

The following round we went within a whisker of beating Takapuna – scoring 148 of the 169 needed before running out of overs. That saw us into the competition lead, and we consolidated that with a big win over Cornwall, after rolling them for 65 on the first day. Going into the last round with a 6 point lead, we need only beat Suburbs on first innings to take both the comp and championship. However the westies tipped us over for 58 in the first innings, setting up a tense final day. Needing to now win outright, we took 5/21 on the second day, to set up a run chase of 182 for glory, and were coasting at 150/3. However, the drama wasn't over. Suburbs came back with 7/28, to steal the game by 3 runs, and apparently take the title as well.

After the calculators came out, we were revealed to be the winners, on bonus points, by a wafer thin margin of 0.13 points (or 13 runs). A win is a win, as the saying goes, and for us – redemption after the disappointment of 12 months ago.

Individually it was a fantastic year, but really it was our collective strength that drove our success. Bowling wise we led the comp, only once failing to bowl out our opposition. We were led by Ovick (29wkts), Sajid (28wkts) & Gurmeet (27wkts), but we also had fantastic service from several others – Prashant, Bobby, Sandy and Kulvir all had spells of form through the season.

With the bat it was another collective effort. This was led by Ramandeep who averaged 56, and scored two of the six centuries made this summer. Daniel owned two of the others, in his comeback season, and will score plenty more on first impressions. Special mention to Tejinder for scoring his maiden hundred (followed up with a 90 a few weeks later).

Well done everyone on a successful team campaign. Something to build on for next season in a new grade.

For the 11 months ended 31 March 2019

1. Reporting Entity

Papatoetoe Cricket Club Inc is an incorporated society registered under the Incorporated Societies Act 1908 and a registered Charity [CC40249]. Papatoetoe Cricket Club Inc is engaged in the business of Cricket Club

2. Statement of Accounting Policies

Basis of Preparation

These financial statements have been prepared in accordance with the Special Purpose Framework for use by For-Profit Entities (SPFR for FPEs) published by Chartered Accountants Australia and New Zealand.

The financial statements have been prepared for Internal Management purposes.

Historical Cost

These financial statements have been prepared on a historical cost basis, except when otherwise indicated. The financial statements are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

Changes in Accounting Policies

In previous years the balance date has been recorded as 30 April. However, the Club has a balance date of 31 March. The 2019 financial statements have been adjusted to record the correct balance date. Therefore the 2019 financial statements cover the 11 months from 1 May 2018 to 31 March 2019. Comparative figures relate to the period 1 May 2017 to 31 April 2018.

There have been no other changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services, excluding goods and services tax rebates and discounts, to the extent it is probable that the economic benefits will flow to the entity and revenue can be reliably measured.

Sales of services are recognised in the period by reference to the stage of completion of the transaction at the end of the reporting period.

Interest received is recognised as interest accrues, gross of refundable tax credits received.

Dividends received are recognised on receipt, net of non-refundable tax credits.

Grants are recognised as revenue on receipt where no performance conditions have been specified on receipt of the grant.

Inventories

Inventories are stated at the lower of cost, determined on a first-in-first-out basis, and net realisable value.

The cost of work in progress and finished goods includes the cost of direct materials, direct labour and a proportion of the manufacturing overhead, based on the normal capacity of the facilities, expended in putting the inventories in their present location and condition.

Property, Plant and Equipment and Investment Property

Property, plant and equipment and investment property are stated at historical cost less any accumulated depreciation and impairment losses. Historical cost includes expenditure directly attributable to the acquisition of assets, and includes the cost of replacements that are eligible for capitalisation when these are incurred.

An item of property, plant and equipment or investment property is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the year the asset is derecognised.

Upon derecognition, the asset revaluation reserve relating to the asset disposed shall be transferred to retained earnings.

Motor Vehicles	Diminishing Value (100%)	20%
Office Equipment	Diminishing Value (100%)	50%
Plant & Equipment	Diminishing Value (100%)	33.3% - 67%

Income Tax

No provision for Income Tax has been made as income is exempt income for tax purposes.

All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.
