- 5.** Election of officers for the 2017-2018 Season
- 6.** Life Membership
- 7.** General Business
- 8.** Social Hour

LIFE MEMBERSHIP NOMINATION

Neil Ronaldson

Neil joined the Club in 1973 as a 4 year old and since then has been a devoted player, supporter and most recently a Selector for our Club. His achievements on the playing field are legendary:

Played for Southern Districts 1979-81

Played for Papatoetoe HS First XI 1982-85

Debuted for Premiers in 1986-87 season

Played 20 seasons for Premier team including 6 as Captain 1996-2001

Won Auckland Club Player of the Year for three successive seasons 1997-2000

Most wickets in Auckland Premier Cricket season with 73 in 1998-9-also a Papatoetoe record

Winning the ACA Platypus Trophy twice

Won Joynt Cup for Most Wickets 7 times

Won Farman Cup for Best All Rounder 6 times

Won three Premier titles 1986-7,91-92 and 2002-3 and 1 One Day Title

Off the field in recent years Neil has continued to help develop our talent for the future whether in a mentoring role or more recently part of the Senior Coaching structure as Convenor of selectors. Neil also served two terms on the Committee. Everyone who comes into contact with Neil is soon made aware that his passion is Papatoetoe and there is no one more deserving of this nomination than Neil.

LIFE MEMBERSHIP NOMINATION

Vijay Soma

Vijay was enrolled by his Mum as a 8 year old in 1983 after his mum decided that the UK style of living wasn't for us. After his Dad Harry passed away in 1981 his Mum packed up and took him and his sister-also a long time Club stalwart-to England to live but soon realised NZ was the place to bring up a couple of kids from Otahuhu. They moved to Fraser Road where he still lives to this day.

The first major influence on VJ as a kid and as a Junior was Derek McKeen-a local Police Officer- who always believed that VJ would one day play for New Zealand and asked if he could have first dibs on tickets.

During those first few years he had a number of influential coaches and mentors that he remembers fondly-Rose Weir, Mr Shallard, Mr Graham, Bill Clark, Nigel Hurst-they are the people who made him Papatoetoe through and through- he is indebted to them forever.

As a Junior cricketer VJ says he was quiet, unassuming, a little shy-but still managed to make the Southern team at the Boxing Day Milo tournament. He loved putting on the red SDCA cap.

After School Cricket Vijay made his debut for the Premiers in 1991 as a 16 year old on Papatoetoe No 1 versus Kumeu in a side captained by Mark Bradley with the likes of Andy Birkenhead, Neil Ronaldson and the Petersons. He says he was the first of his age group to play Premier cricket, something that still amazes him to this day.

For the last 25 years he has continued to play Senior Cricket for Papatoetoe and has been fortunate to play with many great cricketers. He particularly enjoyed the four years after gaining promotion to the top 8 in 2001-2002 and then winning the Hedley Howarth trophy the next year. Great friendships were made with Senior players that are still strong today.

VJ says that whilst the last 5 years have been challenging as Captain of the Reserves, they have also been rewarding in teaching the next crop of Papatoetoe cricketers of our traditions and history and what it means to play for Papatoetoe. These players don't know our history and VJ will continue to guide these players for the foreseeable future.

VJ has given so much to his Club both on and off the field and has played a crucial role in the changing dynamics of the Club-new Clubrooms, changing ethnic diversity etc that this honour is fitting reward for a person who embodies all that is good about Papatoetoe Cricket. Well deserved VJ-thanks for all you have done for our Club.

MINUTES OF THE 110th ANNUAL GENERAL MEETING OF THE PAPATOETOE CRICKET CLUB

held on the 14 August 2016 at 1.30 at the Papatoetoe Sports Centre.

Present: Megan Spiers, Simon Poole, Les Gibbs, Nigel Hurst, Gary Troup, Peter Boyd, Guy Ronaldson, Roger Harris, Neil Ronaldson, John Lee, Garry Wood, Wally Stamp, Bhupinder Singh, Rajeev Ragajopal, Peter Ambler, Iain Laxon, Denis Currie, David Price, Rodney Price.

1. Apologies

Noel Burnside, Brett Plummer, Paul O'Brien, Ian Plummer, Gerry Green,
Guy Ronaldson moved that the apologies be accepted Seconded Peter Ambler.
Carried

2. Minutes from 109th Annual General Meeting

Confirmation of Minutes from 109th Annual General Meeting
Gary Troup moved minutes be accepted Seconded Peter Boyd.
Carried

3. Matters Arising

- (a) Rodney bought up that it was David who had initiated the Life membership for Nigel
- (b) Deceased VP's and Life members to be taken off the list

4. Presentation and adoption of Annual Report and Balance Sheet for the 2016/17 Season.

Nigel Hurst thanked Rodney Price
Gary Troup moved that the Annual report be accepted Seconded Peter Boyd.
Carried

5. ACA Report Iain Laxon

Iain briefly reported on Auckland Cricket Association.

- > The past season Aces went well in T20 and Plunket Shield.
- > Hearts won the One day title.
- > School cricket Blitz went well, that will continue into next season.
- > ACA are focussing on top school cricket.
- > Iain thanked all for their support in cricket.

Concerns were raised regarding a Premier team not turning up for the toss. There was a very brief apology received from the club concerned.

Nigel thanked Iain for his report.

6. Financial Report

Simon briefly spoke on the financial report. Highlighting some key points.
Denis Currie moved that the financial report be accepted Seconded Peter Boyd
Carried

7. President's Report

Nigel briefly spoke on his report acknowledging the Life members and their invaluable input into the club.

David Price moved that the President's report be accepted as read
Carried
Seconded Peter Boyd

8. Chairman's Report

Peter briefly spoke on his report, acknowledging all the Life members. He would like to see more volunteers in the club.

Wally Stamp moved that the Chairman's report be accepted.

Seconded Guy Ronaldson
Carried

9. Election of officers for the 2016/17 Season

- a. Guy Ronaldson as Patron Gary Troup/Nigel Hurst carried
- b. Simon Poole nominated Nigel Hurst as President for another term
Seconded Peter Ambler
- c. Gary Troup nominated Peter Boyd Seconded Neil Ronaldson
- d. Peter Boyd nominated Gary Troup Seconded Peter Ambler
- e. Nigel Hurst nominated Simon Poole Seconded Gary Troup
- f. Simon Poole nominated Garry Wood Seconded Peter Ambler
- g. Nigel Hurst nominated Rodney Price as the Auditor Seconded Neil Ronaldson.
Simon acknowledged the work that Rodney does for the club and thanked him for the support.

Gary briefly spoke on the Committee. He would like to see more players on the committees. He also acknowledged the change of demographics in the Papatoetoe Club and feels that we should encourage more Indian members onto the committee. Nigel thanked the outgoing Committee and moved that nominations be closed.

Seconded Neil Ronaldson.
Carried

10. General Business

- a. A Tom Hellaby Cup has been purchased and it is used for the annual Golf tournament
- b. A working party has been set up to work on the Constitution. Adrian Dale emailed a copy of Eden Roskill Constitution which has been very helpful. Garry Wood acknowledged David Price, Peter Ambler and Peter Boyd on the work they have done.
- c. Nigel Hurst moved that the Vice presidents be reinstated for the new season.
Carried
- d. Garry Wood spoke on the new processes for booking grounds
- e. Gary Troup acknowledged Megan and Simon for their work with the Annual report
- f. Peter Boyd acknowledge the work Gary Troup does to help with funding applications, this has been appreciated by the club.
- g. The subject of business house cricket was raised. It was suggested that we try for Sunday afternoons. Simon raised the concerns of pirate cricketers being a problem.
- h. David Price has found an article relating to the first title that Papatoetoe won in 1959.
- i. Gerry Green is in St Christopher's. His hip has given in Members are most welcome to visit him.
- j. Nigel thanked Iain Laxon, Life members Vice Presidents and members for attending the 110th AGM

Nigel thank everyone for attending called the AGM closed at 2.26pm

PAPATOETOE CRICKET CLUB CHAIRMAN'S REPORT

Once again it has been a good season for our club, particularly on the playing field, with our Premier men exceeding many doubters' opinions and easily qualifying for the Championship round and looking like genuine title contenders right up till the penultimate round when all things didn't go our way. It was a great team effort all year and congratulations to Stephen Money and Bhups for all your work and belief in the side during the year. Hopefully this platform will be built on next season. Women's cricket is developing in leaps and bounds within our club and the results shown and achieved this year were quite spectacular, and we as a club need to continue to grow this area. Congratulations to everyone who represented Papatoetoe this year and thank you to all our captains, coaches and managers.

Whilst performances on the field have been encouraging we as a club have been treading water for the last few years and we all as a Committee agree we need to do more for all our club members and get our focus back on being a great club that everyone is proud of and wants to be part of again. It's up to us to get our identity back. Certainly the pleasing results on the field helps generate a good vibe around the place but we need to do more particularly in our junior club, give these people a club and people they can identify with and make them feel welcome. We are all aware of the changing demographics of our club and society that have taken place over the last few years, and I don't believe we have embraced this as well as we could have and as I mentioned the strength of our junior section and lack of volunteers probably reflects this.

We as a club / committee need to address this for our club to prosper. We need some help and input from a lot more people as it's easy to see the governance of the club presently is not a great reflection of our actual membership base, their families and South Auckland generally.

It has been under my guidance as chairman that I thought we could set a governance structure that could deal with "running the cricket club ". I do firmly believe this still has a place but we have performed poorly in the running of cricket and service to our members, our focus and energies have not always been in the right areas. We have dropped the ball in a lot of areas and continue to rely too heavily at times on our paid staff to fulfil roles and responsibilities beyond what they are employed and remunerated to do.

I personally believe for our club to run efficiently it requires more than just the season to be our focus we need to be a club that operates year round. A positive that has come from late in the season has been the feedback with regard to the newsletter that was instigated and put together by Regina and sent out weekly, we hope to grow on this and increase our circulation to our wider Papatoetoe family of past players and supporters

The staff at Kolmar particularly Justin and Tarryn have once again been great to deal with and great supporters of our club and what we are trying to do. We do need to be more involved in the Centre, it needs to feel like it's ours and our club is run from there. With the continued support of the Kolmar Trust and its supporters many of our junior members and families who would normally have struggled to join have benefitted from the Choose Sport initiative again this year enabling them to be members and play at the club

Like all organizations we continue to have to rely on funding for various aspects of the running of our club and this avenue continues to be our major source of revenue. It is an area where Gary Troup's expertise and knowledge have once again served us well and we are truly indebted to him for this.

To all of our sponsors and charitable trusts as well as Auckland Cricket who continue to support us, thank you so much.

To Simon, Garry and the other Committee members Regina, Bhupinder and Gary Troup, thank you all for your time and input over the last season. Thanks also to Megan Spiers for her work in the application processes around funding. President Nigel, thanks for your support and sound advice throughout the year as well as the support we received from our Life Members at various times.

To all our volunteers, coaches, managers, supporters and parents thank you all very much, but we still require more of you. I encourage you all to get involved in your club in the upcoming season and beyond, we all need to help out be in large or small contributions so our club continues to perform and function efficiently.

To all our players, I hope you enjoyed your season and look forward to seeing you all back at the club later in the year when the new season rolls around.

Peter Boyd

Chairman Papatoetoe Cricket Club

Nigel Hurst, Guy Ronaldson and Navdeep Aujla

PRESIDENT'S REPORT

Another season has rolled by and I find myself reflecting on a very successful season yet again. Our Premier men's team led by Stephen Money were oh so close to taking out the title this year. The depth of talent this young side is developing is a great sign of things to come. There was not a side in Auckland who you could say dominated us and with the majority of these young men back next season a Championship is perhaps not too far away.

Our grade teams were all very competitive with B1 , C1 Blue and One Day 2C Fighters winning titles in their respective grades. Thanks to all those who played for our club with such passion each week. My sincere thanks to the captains of each of these sides.

Our Woman's team led by Regina are improving with every game and their input into our club both on and off the field is valued highly. To see the team at the clubrooms at the end of play most Saturdays is an example other teams could follow!

Our committee is a very dedicated group who toil endlessly with little thanks or acknowledgement. I would like to take this opportunity to thank Peter Boyd and his team for all they do off the field to keep our club on the field. Your efforts in raising necessary funding and the work you do to continue our proud history is very much appreciated.

Our coaches have done a great job and we are blessed with such a talented group. Thanks to Bhupinder, VJ Soma , Garry Wood and Neil Ronaldson and all with training and improving the skill level of our players throughout the grades.

Simon Poole is another who works tirelessly often behind the scenes to insure the smooth running of things on and off the field. Cheers Pooley again your efforts do not go unnoticed.

Our Life members are a tremendous group of true club men. They have a wealth of experience and are only too happy to impart their knowledge to younger players. The gatherings we have to acknowledge them are always well attended. My advice to young players is use their knowledge- have a chat to get to know them.

We have a very long and proud history as a club. I thank all members for keeping this history alive. Have a safe warm winter and I will see you all come October.

Nigel Hurst
President

Nigel and Dennis Reunited

CLUB MANAGER'S REPORT

Whilst the 2016/17 season produced several outstanding performances by Papatoetoe teams we are still beset by the same problems as of recent years-dwindling Junior numbers ,a lack of parental support, problems with on-field discipline and the lack of the development of representative players at all levels. We have to realise that the Club has undergone a major ethnic transformation in the past 5 years and we need to better understand these differing groups and ensure that we meet their requirements and needs in the future. This is our biggest challenge.

The breakdown of this seasons playing membership of 365 is:

INDIAN 67%

Maori/Pacific Islanders 24%

European 9%

Every Auckland Club is rated alongside the performance of its Premier team. In finishing third in the Hedley Howarth Trophy-our highest placing since winning in 2008/9-Papatoetoe Cricket remains at the forefront of Auckland Cricket. Congratulations to Coach Bhupinder Singh and captain Stephen Money for instilling a steely resolve in the side and except for one bad day could have been challenging for the title by season's end. Strong performances by Logan Clark-who won Most Improved Premier player at the ACA Awards dinner, and Navdeep Aujla with 44 wickets led the way. Another title is not far away.

The heart-warming story of the season was the performance of our Premier Women's side. For a team that lost all 11 players three years ago to finish in the Top Four in all three Competitions this season was an outstanding achievement. Player/Coach Regina Lili was crucial to this rapid improvement and she was rewarded by winning the Premier Women's MVP Award at the ACA dinner. This team also has a number of Samoan internationals and things are looking bright for the future.

Our B1 side under Toby Edwards battled for the Championship all season long-winning the One Day title but just missed out on promotion to Senior A. This side is a breeding ground for future Premier/Reserve players. The C1 Blue side under Gurpreet Arora dominated their grade and won promotion to Senior C3. Well done boys.

This season we had 8 One Day sides-up from 4 last season - Papatoetoe had the third most One Day sides in Auckland. These sides are mainly self-sufficient 'closed shop' teams, but play an important role for Papatoetoe-particularly among the differing Indian communities. Our 2C Fighters team-one of the new teams-won their grade whilst the All Stars finished third in the same grade. Thank you to all these sides-you are a pleasure to deal with and hope to see you back next year.

To the Junior Grades where our Year 9/10 Premier side won their Section of the One Day Championship as well as the Ken Deas Cup for the Two Day Championship. These boys represent our stars of the future and there is some real talent among them. Our Year 8A side also won their section Pre-Christmas comfortably but fortunately had to disband after Christmas as 5-6 players were required to play school cricket. The Year 7 Premiers, 6A and

both 6B sides developed during the season and results should come next year. Thank you to all the Coaches of these sides-Balraj Gill, Munish Anand, Onkar Singh, Mark Rawnsley, Jana Gamage, Fiona Macree, Ranjit Singh, Vikram Viridi and to all the parents who helped.

One pleasing development this season was that we had both an Under 14 and an Under 12 Girls teams. Thanks to Regina Lili, Nickie Maro and to all the parents who helped during the season-particularly with transport in getting the girls to their games.

So another season has come and gone with some successes on the field but still a lot of work to be done if we are really able to reflect the diversity of the Papatoetoe and surrounding regions and make our Club one that everybody is comfortable in.

Simon Poole
Club Manager

COACHING DIRECTOR'S DEVELOPMENT REPORT 2016/2017

The 2016-17 season has seen the continuation of the Club's highly successful in-schools coaching program. Funded as a partnership between Counties Manukau Sport, KiwiSport, Auckland Cricket and the Club the program saw over 20,000 individual coaching opportunities offered to over 5000 boys and girls through the South Auckland region. Whilst Schools such as Bairds Mainfreight Primary, Mission Heights Junior College and Holy Cross were significant users, new schools like Ormiston Junior College and Fergusson Intermediate were introduced to what we offer in our program.

The coaching team at Mangere Central

Regina Lili'i joined both our coaching staff and Premier women's team for the season where she did an admirable job as Premier Women's Player/Coach where she was the MVP for the Auckland Women's Premier grade. Her focus was on promoting and driving up interest in the Girls section of the Club to grow the base for the Premier Ladies side. She was very successful in getting coaching sessions happening in schools especially in the Year seven and eight girls where she ran in a very good introduction to competitive cricket by linking the coaching to an afterschool mid-week interschool competition. The standout success was in the preparation of the Holy Cross team that won their way through to the Auckland Regional qualifiers for the New Zealand Cricket National Cup. Two or three of these girls will be expected to make the transition to the Club either in the under 15 team or into the Emerging Hearts grade which is great news for all the hard work Gina put into the school. Other new schools included Chapel Heights Primary, Flatbush Primary, Baverstock Primary and Mangere Central School.

PE sessions at McCauley High School

Holiday program at Kolmar with Feala

The Club assisted with the local Primary school cluster field days where over fifty boys and girls teams between Mangere and Otara were introduced to cricket in a modified format competition run over one day. A number of these schools also participated in the Auckland Cricket Blitz after school competition with a third of the regions entries coming from South Auckland. This was especially pleasing in schools like De La Salle and Mission Heights where good work was done by both staff and teachers to promote Cricket activity.

Although these figures don't often flow into rapidly increasing club numbers it does reflect

the impact that the Club has in the local area in the context of introducing school age children to competitive cricket in a safe, convenient and fun environment, something the Committee takes very seriously as part of the Club's responsibility of growing the game. The importance of the continued emphasis on community cricket delivery will underpin New Zealand Cricket's strategic growth strategies for the next twenty years as evidenced in the One Cricket Report that has been compiled by Martin Sneddon where in an interview with the Club representatives he expressed strong support for the Club initiatives in this key area. This was further evidenced with the ACA altering the Club is The Hub subsidy grant to the Club by a significant amount for the incoming season.

Internally while we had a good season especially with the progress in girl's cricket it is clear more focus needs to be placed on getting junior club members more coaching. The expectation that Dad's and in some cases Mum's will do this is less true than ever so the Club

Holy Cross awareness sessions

Regina teaching bowling at Mission Heights

needs to ensure all the junior members have access to good coaching. Clearly this will come at a cost so the Committee needs to establish how the funding will be sourced and applied, but this is an essential added value the club must provide for the junior section from now on if we want to attract and retain good young players.

Garry Wood

Development Officer | June 2017

FEEDBACK from schools

Luke Sumich

Leader of Learning

Ormiston Junior College

Garry thanks for your proactive integration with Papatoetoe cricket and our brand new school. Regina Lili has been outstanding. She is coaching girls with such patience, encouragement, and focusing on improvement. It is obvious she is a very skilled coach. Our girls are excited and motivated to give cricket a go. Regina has organised an interschool competition and for most of our girls this is a first time ever to play. What is crucial with all external coaches they have to be good communicators and reliability is essential. On these counts Regina has been exemplary.

Sarah Hann

Holy Cross School

Regina has been an asset to have as part of our cricket programme at Holy Cross School. The girls have learnt so much from her this term and really look forward to her trainings. She has been great with all levels of cricket from beginner to girls that need extension. She is awesome!

Charlotte Maumea

Redoubt North

Our girls now have a new love for cricket that hasn't been seen before, most mornings before school, at morning tea and at lunchtimes (even the days they don't have trainings) you will see them practising what Regina has taught them on the cricket wicket.

OBITUARIES

Gary “Fingers” Speedy has been a large part of the Papatoetoe Cricket Club for over 60 years. Gary started in the schoolboys in the mid 1950s and his first adult team was the 4th Intermediate XI in the 1958/59 season. After 3 seasons in the club's second XI, Gary first played for the Premiers in 1963/64, and played there for nine seasons through to 1971/72. Gary shared in three Championship winning teams during this very successful period. He also served two years on the committee and co-coached the first club Womens team in 1966/67.

Gary then captained the second XI for three seasons, during which time he probably played his best cricket, and was awarded the Farman Cup for Top All-rounder for two successive seasons. He then played a final season for the Premiers in 1977/78. During this time Gary participated in two club touring teams to Australia in 1971 and 1976. Wife Jeanette organised the club afternoon teas and set a high standard for following years while son Cam was making his way through the schoolboy and youth grades to eventually follow Gary into the Premier team.

After several more years in Senior B (second XI), Gary first joined Bob Shearer's Presidents Grade team in 1982/83 and played 15 seasons there – a very enjoyable and prolific time for Gary as he scored six centuries during this period. Gary also played in two Golden Oldie tournaments-Auckland in 1984 and Brighton in 1986. During his time at Papatoetoe Gary was a true club stalwart, putting vast time into coaching and managing schoolboy and youth teams.

In retirement Gary and Jeanette moved to Masterton, where Gary passed away in February. A well attended memorial service held in the Kolmar complex was a great tribute to the high regard and esteem that so many club members felt for Gary. It also provided an insight into Gary's high standing within the Electrical industry in Auckland.

Peter Rich followed his father, Bill Rich to the club in the 1950s and was a genuine all-rounder in the top two teams. Rugby became his primary sport and he played many games for Counties as a front row forward. Later Peter and his wife, Annette ran a Hardware business at Hunters Corner and sponsored a cup for the initial club Twilight tournament in 1977/78 which was very successful in promoting club spirit and ran for many years. Peter and Annette moved to Thames and he was club manager at the Maramarua Golf Course for several years before passing away recently at Thames.

PREMIER MEN CAPTAIN'S REPORT

It is pleasing to be writing this report with the Premier squad taking significant strides forward this season. Results on the field were the most successful that this core group of players has achieved in the four to five seasons that we have been playing together.

The success of our team is a credit to a number of people who give up their time and energy to support our side. "General" John Lee is key member of our group using his vast experience to impart his wisdom. He is invaluable and ensures that all the small things run smoothly, but most importantly reminds us what it is to play for Papatoetoe. Thank you to Brett Paterson for taking up the scoring duties again this year. Neil Ronaldson again was a key member of the coaching staff and the often-tough job of team selection. Roly's experience as a player and great understanding of the game ensured that we were more often able to put our best side on the field. Vijay Soma-"Legend" for all the work that he does with both the Reserves and Premier side and ensuring the next generation of players are continuing to come through. A big thank you to the committee Gary Troup, Peter Boyd, Simon Poole and Nigel Hurst for your on going support throughout the season. Thank you to all past players, members and Life members for your support and interest in the Premier side, it is always a big part of what makes us successful and we hope to see this continue well into the future.

Our success or our lack of success in previous seasons has been down to poor culture within the Premier and Premier Reserves squads. Individuals can win a cricket game, but it takes a team to win consistently throughout a season. We have always had the talented individuals but we have never had a team. This was the focus for Bhupinder and I this season, to make a team of these talented individuals. A lot of this success and change of culture in our side comes down to the hard work and planning of Bhups. This began in pre-season where the standards that we set were at a much higher level. All players were expected to train at a greater level, work harder and this was role modelled by Bhupinder in every training. It is expected that every player trained at that level and players were made aware if they were not working at the expected standard. For some they were not able to train at this standard we had set or were not able to handle the criticism. It may seem tough but these were not the individuals who were willing to become a team. I believe this was the catalyst for our successful season as our training improved and as a result we began to win and we expected to win. So well done Bhups and hopefully you can raise the standards even higher next season.

In terms of results we finished 3rd in the Two-Day competition, once again this was our focus and where we spent most of energy. In the T20 competition, we were knocked out in the Semi-Finals and in the One-Day competition we were well out of playoff contention with only three wins out of seven matches. As a whole, we improved significantly in every competition which is pleasing. However, it is a season that could have been even better if we were able to seize upon some of the strong opportunities that we made for ourselves. Two results in particular stand-out for me in the Two-Day competition and even more more disappointingly both games were at home in which we were dominant after day one. The first was against Cornwall where we batted the day and amassed over 400 runs. We were unable to bowl them out on the second day having them eight down. This was a valuable three points that we missed. The second and what eventually put us out of the running for the title was our loss to

Takapuna. Batting first, we made it through to 240 all out at tea. In the last session we bowled magnificently taking five wickets to have them 70-5. Importantly we were unable to dismiss their captain that evening missing a few opportunities. This came back to haunt us on the second day with him scoring 180*. It was a year full of great victories. We beat every team that we played in some format apart from Parnell. Previously I had never beaten Suburbs New Lynn and we did them twice both home and away with Jeet Raval opening the batting for them in the One-Dayer after Christmas. We also had an outright victory over Takapuna at Takapuna, this result showed what our team can do on wickets that offer turn. It is a shame we aren't able to replicate this on our home wicket as I truly believe we would be unbeatable on that type of wicket. Ironically spin friendly home wickets is what eventually won them the title. We also had a great victory over Cornwall in the T20 quarterfinal, which sent us into the semi-finals, a stage further than this group had been. These victories over good sides has instilled belief and made us realise we can do it against everyone.

Lastly I have to mention the standout performers this year. Caleb Brookland had his best season with the bat and really led from the front opening the batting. His success at the top of the order paved the way for others to follow. I am expecting a big season out of him next year- watch this space. Amrinder Sohal also had a great season, particularly before Christmas where he often made batting look easy and carried us through to defendable totals. I am looking forward to having him back next year and taking on even more responsibility with the bat. The standout performer however was Logan Clark. What a season, not only runs but the elegance with which he scored them was a pleasure to watch. His 150 against Cornwall at home was pure class and I hope he continues to new heights. I should also mention that Logan was one of the players that missed out on the team for the first match of the season. It is a credit to him and his desire to be successful that saw him come back strong with impressive performances, firstly scoring big runs for the Reserves in the first few games and then continuing that form for the Premier side. He was also at the first game at warm-ups helping and watched the whole day. This is a reflection of the team culture that we are trying to set and which Logan has become a big part of.

To the bowling- all the seamers did a great job for us this year. In particular Abdullah and Abishek who often got key break throughs and set-up a number of wins for us. I should also acknowledge a number of important cameo innings at the tail which helped bump up our score. It is no secret that our spin attack is class with Navdeep and Bhupinder. Both bowled fantastically well in all formats and spun us to a number of victories. It is a credit to both of them that when we play away teams produce wickets without spin to negate their threat. We need to be more willing to do this with our home conditions and be willing to produce wickets that suit our players.

Thanks again to all those who have supported the team and I this season. I look forward to seeing everyone again next year and to keep working hard towards titles.

2016/17 PREMIER WOMEN SQUAD

After taking a season off to explore Japan for a year, jumping headfirst into a Player/ Coach's role for the Premier Women was quite a challenging yet extremely fun experience. As a team, we worked very hard on building a culture around the acronym, BASICS (Best, Attitude, Supportive, Intent, Courage, Strong) and more importantly, learning to enjoy and love the game again. Trainings included plenty of fitness and increased from once to twice a week with the addition of a Wednesday night open-wicket session, which really helped improve our fielding and level of game awareness as a group. As the season progressed, the team grew tighter as a unit and quickly became more and more competitive each week.

The squad included some fresh new faces: Kawa Mataora, Leiu Bourne, Prescilla Pomee, Ngaire Anitoni, Serafina Andrew, myself and fellow Auckland Heart Feala Vaelua (who transferred from Waitakere). In addition to that, experienced Kilikiti (Samoan Cricket) player, Malia Tato joined the squad halfway through the season after filling in and discovering a newfound passion for "English" cricket. It also saw the return of Lelia, Tetiारे, Ernestina, Koitai, Lagi, and Taofi from the previous season.

Out of eight teams across the Premier Women's competition, we finished fourth in the T20 and Prichard Cup Limited Overs competitions and unfortunately, just missed out on a place in the Pearl Dawson Limited Overs final after a fifteen-run loss to Auckland University. However, the team did well to come back a week later with a convincing 75-run win against Waitakere to take third place. In amongst all that, I'd have to say that we definitely won first prize for being the loudest (and most fun) team in the competition, with plenty of team and individual highlights along the way:

- Defending 112 runs in a pre-Christmas Prichard Cup Limited Overs match against top of the table, Takapuna where we won by two runs, and helped us secure a spot in the post-Christmas Top Four Pearl Dawson Limited Overs competition.
- Serafina scoring 74 not out on debut against Eden Roskill and finishing the season as the sixth highest run-scorer in the overall women's competitions with a total of 372 runs.
- Lelia and Regina's record 166-run partnership against Auckland University to chase down 188 and win by 8 wickets, which included Lelia's maiden half-century with 60 not out and Regina's maiden century with 107 not out.
- Lagi finishing the season as the second highest wicket-taker in the overall women's competition with 29 wickets across 18 matches including a five-for against Howick Pakuranga taking 5/20. Lagi also went on to win the McKenzie Cup for the Most Improved Premier Grade player (Women's).
- Our team winning the Stringfellow Cup for the Most Improved Premier Women's Grade Team of the Year.
- Regina winning the Premier Women's Player of the year finishing the season with the highest CricHQ MVP ranking.
- Having current White Ferns coach and legend, Haidee Tiffen attend our last training session of the season who shared plenty of useful tips with us and absolutely loved our team culture.

So, full credit to the girls for their dedication and commitment throughout the entire season - it was great to see the improvements being made every week. Also on behalf of the team, a huge thanks to Garry Wood for all his ongoing support throughout the season, we really appreciate it!

I look forward to working with you all again very soon - bring on season 2017/18!

PAPATOETOE MEN'S PREMIER RESERVE 2016/17 SEASON

As I sit here writing another end of season report, I must first express how disappointing the past season was. A mid table finish for the Reserves does not reflect the amount of potential amongst those who played in our team this season. For me, as captain, the season had many disruptions, some of which on face value, should not have affected the way individuals play but in all honesty, when you dig further into these case by case situations, they actually did effect the way the Reserve grade team played.

Until all players start to understand that it is the team which is the underlying reason as to why we play cricket every Saturday, our team will not succeed. Many of the players that played for the Reserves this season, failed to understand the needs of the team. Many focused on their own individual aspirations, agendas, which was to the detriment of the team.

Moving forward into next season, as a squad, it is imperative everyone starts to understand what it means to commit to a team and the direction the team is going in. If we commit and stop pulling in different directions as individuals we will start to succeed as team and a greater squad.

As for the highlights this season, there were a couple. Logan Clark with the Reserves only 100 vs Takapuna, Sam Robinson and Shahvir Irani taking 5 wicket bags.

We must look to work harder and smarter next season as a Reserve grade team. More of the youngsters need to develop an all-round cricket awareness and knowledge. The numbers will come if more of the fringe Premier players start to learn about the game. I sincerely hope we can begin this process during the upcoming season.

Before I do sign off, I must take the time to firstly thank Bhups, Neil and Stephen for setting up this season and running the sessions, selections, working with the youngsters that are at Papatoetoe. I hope many of you will commit to their direction for the upcoming season as we start to chase titles for our great club. Bhups and Neil, we all thank you for the time and effort you put in at trainings and on Saturdays. We must also thank you for the behind the scenes work you put in, most of which are not seen by the senior squad.

Lastly, I would like to wish, Brendan Austin and Shahvir Irani all the best in their retirement. Both of these gentlemen have been a big part of the reserves for the last 5 years. They have both won titles and had success during their time in the 2nds. Perhaps if they played at another club, their loyalty and commitment may have been rewarded with more Premier cricket. I thank them both for their support through my last 3 years as captain.

Winter well and see you all at pre-season.

Four Winds

F O U N D A T I O N

PAPATOETOE B1 REPORT

One day championship – 1st

Two day championship - 3rd

Overall championship - 3rd

With the aim of obtaining promotion to the A1 grade we unfortunately fell short by 4.44 points. We had enough players of quality to achieve this objective but could not capitalise at opportune moments. Whilst the team performed strongly for the majority of the season, lessons must be learnt in regards to the mental approach in these key moments. I believe it is important for the team to reach its potential in the A1 grade and further the development pathway for young players into the Reserve side.

The defining moment of the season came in our penultimate two day match against Grafton. After bowling Grafton out for 74 and leading by 100 runs on the first day we were in prime position to earn a crucial outright win on what was a difficult pitch to bat on. However, on day 2 we were short on specialist bowlers and failed to take regular wickets with Grafton batting much of the day. Grafton's 10th wicket partnership was particularly frustrating soaking up 20 overs and adding 48 runs. This proved to be the difference as we were 20 runs short at the close of play. The 6 points from an outright win in this match would have been enough to overtake North Shore in the overall championship. This proved to be a disappointing outcome considering how close we came. However, it provides experience that is important in our development as a team.

The performance of our batsmen was excellent this season with very consistent performances throughout. This effort was lead superbly by Pratik Lawande who scored 3 centuries and was comfortably the top scorer in the grade. He was well supported by Manjinder Singh and Akshaye Luthra who consistently contributed with the bat. Both Akshaye and Gagandeep Singh also scored centuries putting the team's century tally at 5.

Our bowling was good in patches but struggled in crucial matches towards the end of the season where we lacked specialist bowlers and were forced to rely on batsmen who could bowl. Rajeev Rajagopal was the top wicket taker with 24 wickets. This was in addition to Rajeev's 349 runs establishing him as the standout all-rounder in the team. Manoj Kumar was not far behind in the wickets department with 22. His absence in the latter part of the season was a big loss given his ability to consistently make breakthroughs. Rajeev, Oscar Kaufononga and Avnit Prasad all produced valuable five-wicket hauls.

I would like to thank the players for what was a memorable season. It was a season that included a great deal of success that we should be proud of as a team. This was my first season playing cricket since 2013 so the thought of captaining the team was rather daunting. However, Rajeev's support in particular was much appreciated and took a lot of pressure off me. I look forward to next season where we hope to build on the success of this year and win promotion into the A1 grade.

PAPATOETOE C1 Blue

The season has concluded well for us as we ended up winning the Championship. However we had our fair share of ups and downs. We have come out strong as a team and are ready to play at the next level next season. At times we were short of players and the club was able to provide support and organize players for us. We also had allegations made against us about bad umpiring decisions even though there was no substance to it. We played the game with integrity and I strictly advised my players to play and make fair decisions. We, however, encountered bad umpiring and bad sportsmanship in the unlikely and unexpected team of Senior players who have been playing the game for decades. I am referring to Waitakere here. But we dealt with the situations as they arose to the best of our ability. I personally scored three centuries and our bowlers performed well, especially Jaswant who took 6 for in a home game. We had a couple of very close games but individuals like Taheer and Shamsher Singh stood up and got us home. All-rounders like Sandeep Singh played crucial roles by contributing with the bat as well as with then ball. Finally thanks to the ongoing support from the Papatoetoe club.-it is very much appreciated.

My only feedback will be in relation to the Prize Giving ceremony. I believe in order to attract more people to the function, more people per team need to be recognized rather than one person getting four or five awards. There are only limited individuals getting the prizes while others watch. There should be separate categories i.e best batsman, bowler, fielder per team. That way there will be competitive spirit as well amongst the players.

Happy to assist in the player enrolment at the start of the season.

I also plan to get into coaching/umpiring as well so will appreciate any support from the club.

*Regards
Gurpreet*

PAPATOETOE UNDER 14 FUTURE HEARTS

It was a pleasure coaching the U14 girls for the first time this season which involved two trainings sessions a week prior to the Premier Women. It also included the U12 girls along with a few of the Te Ulu Emerging Hearts players. With the amount of natural talent involved with this group paired with their enthusiasm and eagerness to learn, the future of women's cricket at Papatoetoe Cricket is looking very bright.

A massive focus for me while working with this group was to ensure that first and foremost, they were always having fun and being good teammates. Secondly is that they learn and understand the basic skills required to bat, bowl, and field so that these skills start to become ingrained the more these girls continue to play.

So, it was fantastic to see the improvements the team was making every week. They started the season off all out for 74 runs in their first game against Ellerslie, and losing by three wickets to finishing the season off in style by almost doubling their total to

140 runs - no wickets down, and winning by 14 runs against the same opposition. Davinya also did a great job as captain to keep the team motivated every game and by the end of the season was starting to understand the basics of setting a field. In addition to that, one major work-on for next season will be for everyone to learn the names of the standard fielding positions by the end of the season.

There were also plenty of other on and off-field highlights in between:

- The team finishing Runners-up in the U14B Future Hearts – Pre-Christmas competition.
- Tailor Maika-Mataora was awarded the Best All Rounder in the team after finishing the season with five wickets and the most runs with a total of 233 which included a highest score of 72 not out against Howick Pakuranga. Tailor also went on to win the Club's Rose Henare Cup for being the Most Promising Player - Womens Cricket.
- Caitlin Hakeagatoa was awarded the Best Bowler with a total of eight wickets and ten maidens. She was also very handy with the bat finishing off with 196 runs and a highest score of 61 not out.
- Davinya Lulia also took eight wickets for the season and scored a total of 189 runs.
- Kayla Mataora-Smith was awarded the Most Improved Player in the team after starting the season as a tail-ender and ended up opening the batting in their last game of the season where she made 29 not out and had an unbeaten 140-run opening partnership with Tailor.
- In Faith Lillii-Moa's first season playing cricket, she scored her first half-century with 50 not out against Auckland University and also took a total of five wickets.
- The girls were also treated to a visit by current White Ferns coach, Haidee Tiffen during their final training session of the season which they all really enjoyed.

Under 14 B girls

To the girls, thank you for always bringing your best attitude to trainings and games, and for making my coaching role fun! Last, but not least, a massive thanks to Nickie Maro who played the very important roles of Manager, taxi driver, and scorer for the team. Hopefully we will see an increase in parental support next season to help ease the pressure off our trusty manager. I look forward to working with all of you again very soon and don't forget to invite your friends along so that we can continue to grow our numbers.

Bring on season 2017/18!

Under 12B Girls

PAPATOETOE Year 7 PREMIER

With the decision to step up from being 6A champions last season to play Year 7 Premiers brought a whole realm of new challenges for the players this year.

Playing 40 overs instead of the 28 or so from last year meant our players had to adjust their game plans to bat the full allotment of overs if they were to compete, which proved challenging to begin with and we struggled to grasp this in the first few games. If we batted out the overs we generally posted a competitive score and won most of these games with a power based batting line up. Unfortunately this was generally not the case and we struggled to compete against some very tough competition.

With our games scheduled for afternoons, which meant that I could not attend most of these and Jana Gamage had to coach, umpire and organise the team on game days, which I must thank him for as it is a very long day out in the sun. Thanks also to our team of supporters and scorers and it was nice to see so many parents watching the games with family and children week in and week out!

Our pre championship matches saw us finish 7th out of 10 teams in pool 2 with 3 wins from 9 games and 1 no result. We were placed in pool 2 (out of 3) and ended up losing 6 from 7 games with 1 no result due to weather. With strong competition in this final round we played hard and never gave up but struggled to finish teams off in the end.

Of note during the year we had a stand out performance from Samuel Samuel scoring 109 not out. Solid bowling from the team during the year was pleasing and, as always, the old adage "catches win matches" proved to be correct with our team missing critical wickets at times that could have swung many games.

I wish all the players good luck in their games next season, where ever they may be playing, as I won't be able to coach next season due to my work and own sporting commitments. It has been a pleasure coaching them for the past few years. Big thanks to Simon Poole for everything he does for all the teams at the club!!

All the Best, *Mark Rawnsley.*

Year 7 Prem

Samuel Samuel 7 Prem

PAPATOETOE Bairds Mainfreight Year 6

MPS/Papatoetoe Cricket Team had a tough season from the very beginning. We struggled to get enough players for the team, and then struggled to get the players we did have to both training and games.

The flip side was that we did have about five players who were eager members of the team and who grew from the strength to strength as the season progressed. They came to all of the training sessions, worked hard and as the season progressed began to play really well.

We were fortunate to have Scott come and help us with training each week. The kids enjoyed these training sessions and learned some great skills from Scott.

We were not able to train over the summer period as we did not have anyone to look after the team. We were straight back into it as soon as term started.

One of the things that really helped this season, was having most of our games at home, as transport and parent support was minimal.

The team has been fortunate to have Martin Kaipo as the Coach/Umpire (He thoroughly deserved winning Papatoetoe Club's Volunteer of the Year award). Garry Wood who has helped us have a team at Papatoetoe, and of course the Papatoetoe coaches-mainly Scott- who have been great value. We are also thankful for the 'Choose Sport' funding. We wouldn't have had a team without this amazing support!

Looking ahead:

The first question is whether there will be a school/Papatoetoe team, as the commitment is big. Our school/Papatoetoe Club will discuss how we can work together to make a team feasible.

How do we get parents involved?

We would like to support the year 7 students who would like to play cricket next season. We have one girl who has potential, a few boys who are keen-including two or three with great potential. We would like them to be involved in the 2017/18 season at Papatoetoe Cricket Club.

Auditor's Report

I report to the members of the Papatoetoe Cricket Club Inc that I have examined the books and vouchers of the Club and compared them with the Accounts. In my opinion the Balance Sheet and Income & Expenditure Account for the year ended 30 April 2017 are drawn up as to show a true and fair view of the Club as at that date.

R R Price (Hon. Auditor)
